

Proof of Celebrity Means Investment Opportunity

September 14, 2021

September 13, 2021, mac answered the chief's emailed question, "What did you do?" The unanimous choice of the civilian and civil service population of the United States backing Antichrist means God and Christ can prove mac's celebrity as God of Christ's kingdom.

Christ's kingdom is established on earth. mac is building Christ's righteous warfare curriculum and course materials. There are no men at this time in the United States Armed Forces to attend mac's school.

The United States Government has proved its legislative, executive, and judicial branches serve Satan's woman, the Antichrist of Apostolic fame, Mary McRae. She, Mary, is a modern-day Nephilim equivalent. Her demonic power is what you demons are feeding yourself from to destroy God.

Because the United States refuses to allow room for the Christ, God, to work righteously without the mark of the beast for survival, He is interceding in every: effort, deed, material use, method of work, and return on investment, that builds on righteousness, God, for success. Antichrist is the power you chose. You refused God's requests to help his woman. You left Him no means to save your souls.

The head of gold, Christ, from the heavens (in the clouds) is wiping clean the inhabitants of North America. When you demons wish to move about solving your problems, putting out fires, opening sewers, supplying potable water, mending bridges, opening ports, moving chattels, supplying electricity, and stocking shelves, with God's help against Antichrist, you will pay mac

her demanded settlement. Serving Antichrist exclusively means you left yourself no access to God's power.

The settlement amount will be announced when you send her your email at mac@macdukes.com asking for God's hand to defeat the abuses Antichrist deals souls. When the settlement is paid God's hand is provided on a case by case bases as you souls, individuals, make righteous petition on mac's life humbled before God and Christ to benefit from righteous riches.

United States, you have assaulted God's provision to save His creation, mac. For the benefit of the entire world, God is proving her profound power to nations with a few good men. North America belongs to God, mac. She is not giving it to Antichrist. You demons decided to war against Christ with Antichrist. This was a costly choice, in the extreme.

God and the Lamb

*Tommy Abels your email of September 4, 2021, could not be replied to before today as I was refusing all form of celebrity. The refusal of souls of the United States and United Kingdom (Extended) to make room for Christ to leverage my talent to earn a living is why the populations of these nations is being extinguished as other America's and Isle civilisations have been throughout history. Uniting with demons and refusing God is what destroys the human body, genetic organism wiping out populations. The spirit united with the corrupted population of humanity today is facing consequences. The *Herald of the Fine Shepherd* that I write with God and Christ explains the meaning of the Bible for all God's creation.*

My lands are the continent of North America and the Middle East as given to Abraham. Christ has directed me to extend opportunity for managing an investment portfolio for my celebrity in open bid for all financial service agents earth wide. One will hold my portfolio. India's population is annihilated for its perversions restoring its boundaries to Melchizedek's offspring.

Legal entities that have no place in Christ's kingdom are; Apple, Swift, Tyson, Mitsubishi, Monsanto, Microsoft, King Ranch, Dell, and Dow.

Investment firms that wish to bid for portfolio management please reply to mac@macdukes.com. Tommy, as you extended an invitation to me personally, I would like you to enjoy the benefits of being a soul who chooses to know God.
