he website testimony, obedience to God, and personal sacrifices made by mac Dukes are what awarded her the King over Israel, Secretary of Righteous Warfare in the Church of Christ contract position and signatory rights with God at this time.

The *Dog Paddle - Tender* series along with the www.thetruegod.info web site and personal sacrifices made by mac Dukes are what awarded her the King over Israel, Secretary of Righteous Warfare in the Church of Christ contract position and signatory rights with God at this time. Had she failed in fulfilment of her proposal to God by the June 1, 2020 deadline, God would have had no choice but to allow all humanity to be extinguished before Christ's kingdom could be enthroned on earth. The opportunity to fight for Christ's kingdom and see Satan abyssed (verb, God sending one to the abyss, past tense) are only possible now because God's ark won the contract only she was born to fulfil as God's woman.

Because mac searched for every opportunity to increase her duties in God's service He created for her the International World Peace Consultant position. God saving humanity now is possible because mac teaches individuals in Satan's world how to escape god. Winning the contract was her seven year speculation that included living her willingness to die to fulfil God's words. August 2020 marked mac living eight years of total shepherding learning obedience to God, computer programming, and corporate governance.

These are the revised *Dog Paddle* articles with the required amendments for truth to save humanity from the perversion of the land. The legacy herald articles that awarded mac her contract are posted under www.macdukes.com/documents/dog-paddle-tender.php. www.thetruegod.info was amended and became trueGod.macdukes.com. The original www.thetruegod.info files are archived. The Afterword to the *Dog Paddle* series explains errata.
