*he dice roll of Rutherford against God.*

Mapping to **not** Satan means only seeking righteousness. mac made it clear she was never after worshipping any deity other than God Almighty who sent a male, man, as His son to save humanity. That is the simple essence of what a child understood and with every prayer she made it clear she wanted to know who God was. How do I as a human live with God's protection and blessing? How do I make sure I never worship Satan and the demons? That was mac's dedication of purpose from the first she learned of religion. The simple understanding a child has.

At the very least the Jehovah's Witnesses put some form of scripture in Mary's hand that she allowed mac to read. That was the book mac read aloud and she hated her mother reading it to her. Mary did an outstanding job on animating Satan's voice as a serpent when reading Genesis. mac struggled to read anything other than the subheadings of the other Watchtower publications.

## It Went Like This

"My woman has been born."

God

"What does this mean?"

Future Niggers

"Satan's reign as god of the world has ended."

God

"So who is God?"

Humanity

"I AM"

God

"Do I have to worship You?"

Future Niggers

"Seek Me, or you can be your own god, for the time remaining."

God

"We represent the Demon Idolatry Union."

Rutherford (nigger) to God

"The future niggers battled against the Lord of Hosts to become gods one flesh with their demons."

"Do you wish to continue to represent the demon class?"

God to Rutherford

"We love "Jehovah"."

Rutherford to God

"What is it about Jehovah that you love?"

God to Rutherford

"We do not die for our neighbour, we do not donate blood, we do not burn in hell, we will live forever in a paradise in Jehovah's kingdom."

Rutherford to God

"It is not possible to live forever in Jehovah's kingdom. There are no lives in Jehovah's kingdom. It is a pair of dice. You must serve Me to live."

God to Rutherford

"You? Who are you?"

Rutherford to God

"God"

God to Rutherford

"Prove it."

Rutherford to God

"Where are your dice? Now roll them."

God to Rutherford

Rutherford takes Jehovah's kingdom in his hand, kneels in his craps squat, strokes his fist madly and releases. The dice come to rest on the floor.

"What did you learn from your pair-o-dice?"

God to Rutherford

"Your woman will be ours in seven years and we will reign with her."

Rutherford to God

"My woman will not share her reign."

God to Rutherford

"As long as you play by the rules, your woman will not choose you."

Rutherford to God

Imagine God knowing His woman just might be a little on the dirty side. mac understood God defines righteousness, however it is packaged. God had to teach mac why her life went down like a dirty deed.

Specifically, Jehovah's kingdom is all of the objects of idolatry that are powered in the magical land of divination. This is why Israel was packed with utensils, Holy vessels, objects of dignity and adornment, ritual, ceremony, and of course that pair of dice, Urim and Thummim. You asshole, dip-shit, mother fucking, Jehovah's Witnesses certainly had God's woman in your religion.

## It Goes Like This

Satan's reign as god of the world was the demand Satan made rather than repentance when Christ walked the earth. God's woman could not be born until Satan was certain all the rules were in place for God's kingdom to fail. Call Satan's plan the Titanic. It came down to the crew. All they needed was to respect the obvious hazard. Basic seamanship meant much here. Like an O-ring in the Challenger. Basic materials inspection before installation meant much.

What happened when God's woman was born was a reversion to the times of the kings and priests of religious orders of what today academics commonly attribute to paganism. The demon Idolaters union was the last hope of the revolution against God. (Hear God say, "Lucas, We still hate you.")

## Blindness

Lady fuck, (oops luck) has no place with God. The Urim and Thummim served to give God an opportunity to intervene in a matter when the High Priest would have been in a place of conflict of interest to rule on a matter in Israel. God stops that roll where He needs it stopped. These dice, tossed in a cup, and dumped on a flat surface, cup over. After the dice settle, the cup is raised. It is a blind roll dumb ass.

The worst of the fornications is applying consciousness to inanimate objects including food as you are cooking it, eating it, or shitting it. Jehovah is the demon the Levites and Israel battled against with Holy utensils and objects God dedicated to His Holy service. What adds to the potency of dice is the roller. A belief system built from the physics of objects, the laws of nature, and mathematics.
