Abdullah II bin Al-Hussein  
Embassy of the Hashemite Kingdom of Jordan in United States  
3504 International Drive, NW  
Washington DC 20008

**L**loyd Austin lied to your Highness. The United States is incapable of defending even its own soil and foreign soil bases from Heaven.

Great King of Jordan, Abdullah II, Greetings from the LORD and God Almighty.

Gracious Sir thank you for prevailing upon My letter with even the attention of the lowliest persons in your service. Lloyd Austin has woven destruction of the United States Military throughout his career using witchcraft defiling the Heavens with the Baal your ancestors swore to destroy.

Do not under any circumstance coddle Israel. That worthless band of homeless refugee decedents needs to have their blood returned to earth in demonstration of your serving the LORD since you refused My arm in warfare. The mistake Hitler made was allowing concentration camps over wholesale slaughter. I Am the soul, as in the only flesh, that has mercy to bestow connecting a military body to the LORD, meaning the power of warfare -- from Heaven.

Watch on the world stage as the soldiers of the United States are humiliated for preserving Baal and hating the LORD. Even Russia will prevail over the United States as NATO's soldiers suffer the corruption of including the epic weakness and incompetence a Baal driven force delivers in battle. Building a Baal from the LORD's power is why the United States of America is being destroyed. My refusal to worship that Baal is why the LORD is destroying the Baal worshipers of the world, at this time. The Ggods are infuriated at what that Baal has stripped them of receiving from their own flesh.

Mahalo,

Dr. H. L. MacRae (mac) Dukes LTG USMC
