Peter Zanoni and Mike Markle of Corpus Christi, Texas (not Cambridge) are the traitors you are looking for.

Sir, if this letter could move through air against the force of your own hands, beguile you into admiring its dance thorough air, and then with scalpellor precision disembowel you from navel to throat it would deliver to you what America's surviving presidents -- all of them with the breath of god in them -- intend you receive. Biden on the other hand, acting POTUS, simply wants to suck you.

Typically paper cuts sting and nag for a few days. By now your security personnel must have brought to your attention My ministry work. Columbia was indeed first inline and for your convenience I include My correspondence to the Government of Columbia with this epistle.

As Spiritmonger I do in obedience the work necessary under the LORD (the very same of Biblical fame that wiped out Pharaoh of Egypt) to place to right from the helter-skelter deeds of antichrist restoration of Heavenly powers do Earth. (Satan took that power and played with it when god of the world -- then after making a nest got the mistress -- antichrist -- to fill it.) North America long held the honour of employing Medicine Men. Healers that through use of potent potables, toke-ables, eatables, and topicals benefited flesh without the the approval of debauchery. Debauchery is using the powerful medicine of the Medicine Men to aid and abet sex and deal ritual.

Sex and death ritual narcotics took precedence over modern medicine because modern medicine's high priest (the army veteran that owns/runs the By the Book bookstore in Corpus Christi, Texas) blasted Me with curses. (Imagine that.) Once I dealt with her curses We at Team God took down the American Medical Association's healing power held in Heaven. It was disadvantaging the children of North America and Israel in the extreme. Had the medical establishment paid what was due Me they would have held their power regardless of the deeds of their high priest.

You sir cursed and fucked Me over back in 2020. So, naturally, Spirit needed to solve the problems you were worse than a Jonah over against your own gods. Obviously, I Am no Jonah, or this letter's message would not be slicing into you.

The office of Medicine Man is now open in North America. It is the responsibility of the cartel family heads to insure their potent market is executed in harmony with their gods. Failure to honour Heaven's power bestowed upon them, as flesh, means the destruction of all civilisation south of the Rio Grande across to the Pacific. Do expect slave uprisings, including clandestine slaughter wholesale of Mexico's wealthy in this action, as flesh -- even those presently enslaved as mules -- demonstrate to Heaven they will be better stewards over the medicine plantations and laboratories of Mexico.

Mahalo,
