Re: The consequences of your treason with the assorted on the distribution list of this letter.

Joseph,

You treasonous bastard. You violated the LORD building a military dictator out of Zelenskyy to throw Europe into war. This action meant the destruction of America. You fuckers strategised this against your own people. You monsters on the assorted list will be rent by the Heavens for this treason against the LORD'S soldiers, the United States Military. Happy New Year assholes.

The resulting unified North America neither you nor any of your offspring will you see. I will begin at Panama and extinguish the population of North America down to the last Canadian fighting for her common wealth. The only inhabitants of this soil will be the professional soldiers fighting the world over the war you assorted built. The economic woes of this nation will reduce households to one bread winner before even one civilian feels the good of My conquests.

The desert belongs to Me you stupid fuckers. Putin and Xi may take all the spoils at their pleasure through Africa. They know to be generous to the beasts of the field, and the birds of heaven with the disposal of bodies, and the elimination of tourism. I will clean up the mess later.

The mighty hand of the LORD will be witnessed by individuals for the vindication of the Heavens by those that see how North Americans, Jews, and Jehovah's Witnesses die the world over. The remaining details of the shut down of antichrist's seed the world over are in My *Herald*. I Am the Law and the Prophet dumb ass.

This is a notice of execution. Soldiers that want to survive the battle will have no problem keeping it in their pants, and whores like your wife are good food for wolves. The shitty get to continue being shitty because the birds of the heavens, and beasts of the field need meat, and even a Judas will put meat on the table for the household. The wise know not to look a gift horse in the mouth. Sacrificing ended November 1970. It is time for civilians to hit the soil for their own vile deeds. All of you have been judged.
