Re: Your January 31, 2023 visit to 4622 Dody Street, Corpus Christi TX 78411.

Officer Mendoza,

I will make another effort at contacting "SLOANE" of number "801-602-5109". Mr. Gurgevich passed to Me your card, and I assumed you wanted Me to follow up with contacting "SLOANE" handwritten with the stated number, on the back of your card. (Presumably this was not a recycled card. But, I understand economy.) I decided your card was a good invitation for Me to inquire about the wellbeing of Mary Anne McRae who has, from My understanding, been in the care of CCPD since early January when she left the house staging another one of her, "I am going to make the CCPD murder you" witchcraft conflicts against Me.

Mary Anne McRae with Terry Allen Smart, her accomplice to murdering F.L. (Shaw) McRae, My grandmother -- Mary's mother -- are traitors to this nation. I have joked to the LORD in prayerful dialogue, "To the CCPD I must look like 'Beaufort T. Justice' pitifully holding onto My 'evidence' against Mary the 'Bandit.'" Chief Markle and Peter Zanoni are in deep doo-doo for the bull shit they have done against Me.

I Am protecting the chain of evidence against Mary and Terry while maintaining My right to remain silent. My compulsion to remain silent is a function of the over three year long hate crime Mike Markle with Peter Zanoni have been staging against Me locally, whilst using you and other officers as patsies. Incarcerating Mary and Terry I look forward to making a private military matter, because the Department of Justice is equally guilty of shielding these two murderers.

Their incarnation can be accomplished legally in numerous nations while I continue to faithfully uphold My service to the Nation irrevocably as Pentagon High Priest. In America, however, I Am limited to watching over Mary in My own home providing limited supervision while she exploits every human soul she comes across while continuing to defile Heaven and earth. Had My means been restored to Me I would have been able to take My "shit show" [Markle's declaration.] on the road.

I will warn you directly as I have officer Barnes. Mary is strong, fit, athletic, and a murderer. She remembers every event of her life, and uses all her mental and physical aptitudes -- which are advanced beyond common humanity -- to violate this Nation. This concludes My inquiry into Mary McRae's wellbeing.

I assume Mary will be returned to My home when she has exhausted her present hospitable circumstances for conducting evil against you. May the LORD bless you preserving you for the Glory of His kingdom's fulfilment as you act upon this letter contents. To explain Mr. Gurgevich's presence in My home I included My correspondence to Mr. De La Cerda.
