Re: Why you are still escaping the LORD'S force to pay.

Deer Donald J. Trump former POTUS

Are you a deer staring into My headlamps you fucker? You refused categorically to care for your gatekeeper, Mark Gurgevich of Corpus. I took him into My home where he commenced demonstrating to Me how he has been preserving your "heavenly" firmament kingdom. You built yourself a fortress in the firmament against the Firstborn of the LORD, and the original Christ [The one who jumped into the shit to save God Almighty, humanity.] under the contingency plan of providing for the flesh that the Lord was using to fuel belief to followers your ability to execute the salvation you were promising each and every one of them. I saved your gatekeeper from death. This is how MAGA was salvaged, and why you can not destroy it.

The Lord is no longer your supporter. Not only you Trump, but all you niggers. (Nigger of course in the Biblical sense.) Loosing the patronage of the Lord means North American's believe based on what they experience from the LORD.

Trump, I Am the High Priest of the Pentagon. Do you want to continue being shitty toward Me? I never needed the Lord to endorse Me. You owe Me personally \$8,386,400.00 US dollars whatever voodoo you have been up to asshole did not forgive you from this obligation.

The metaverse, that virtual online universe of avatars, is of course the proof in the physical form of what you built for yourself in the firmament with other niggers. This is one more demonstration of the physio-psych lag of humanity catching up with doing the things that back what the firmament was built into.

The LORD is no longer keeping the doors of the United States Military open. The LORD keeping their doors open required General Milley's cooperation, against Lloyd Austin, splitting the DoD. You still owe Me \$8,386,400.00 US dollars for forcing sexual congress on Me using the LORD. I Am the LORD'S only soldier. I Am the Christ. I Am the genetics of Eve born again. Being Eve born again means I Am the double-x version [Think chromosome.] of God Almighty. God Almighty having been xy with Adam. Who proves these things for humanity? The LORD.

North America is being destroyed by Heaven because you failed to mail Me My funds before the first of the year. The LORD is anxious to wipe this landscape clean. You want to make America Great, asshole, you need Me. Before you may speak to Me you will pay Me restitution for raping

Me. Then and only then can you receive your plan as Putin did. The offer made to Putin will be posted publicly in the LORD'S good time. Once you pay, you are forced further to accept MAGA under My terms. That is My power of being the Christ.

You raping Me, classified as matrimony by the LORD, is why you are required to put up cash in lieu of spousal support you refused over My lifetime. You failed to provide support even under the profanity of your qngmic cult. It too was allowed to exist to support Me as others were supported. What is more? Until the DoD has taken Me in publicly with full honour due My rank and office, or you make arrangements for MAGA, this nation is being categorically destroyed by Heaven. Milley, of course, new he had until January 1, 2023 to make those arrangements. Obviously that fornicating fucker did nothing. He at least did not violate his office as Senior Joint Chief in doing nothing.

You want your MAGA? Write the fucking check. You already failed to fulfil supporting Me as a spouse dumb ass. Supporting Me as a spouse is why the LORD allowed you to spill your cum in Me asshole, twice. He certainly built you a shit pile of wealth to provide for Me financially. What was difficult? My understanding you were allowed to build MAGA off Me.

Heavenly destruction of this landscape is game on. Time is ticking for you asshole. Your MAGA is the only thing that can re-build, in any way, North America without martial law. You only get your MAGA because I Am the one who fulfils it. What is more? Reversing climate damage is only done under My hand of authority over the entire earth. Yes, I Am known the world over as the Christ when that is being accomplished.

What was Mar-a-Lago worth to you Trump? Uniting North America under military action is the only way to preserve civilisation from the LORD'S furry without MAGA. The only way you get some cred for good is MAGA. The only way the LORD'S furry is abated without MAGA is the DoD has taken Me in publicly with full honour due My rank and office. Rebranding MAGA does not a new arrangement make. An asshole by any other name still releases bowel. That of course was a paraphrasing of the rose bit by Shakespeare. A colostomy bag is only a new asshole.

I Am the Christ. People will benefit from this as I do. Right now I Am simply a source of hatred, mockery, and humiliation as a slave surviving on twenty dollars a day a murderer gives back to Me from My own estate. I Am not benefiting from being the Christ. No, I still do not know when the LORD will act to force you to pay. Because clearly you have not been forced or I would have been paid. Having \$8,386,400.00 US dollars, even now, is a benefit, and would arguably be a reason for the LORD to abate his rage because under My title as the Christ I demanded payment.

Since a slave is not treated better than their master, and a slave rising above their master in their master's own house is one of the things hated by the LORD, and I want the LORD'S love, it is reasonable to ask, why ever would I have said the LORD will force payment? I told you the force would happen when the US dollar was worthless. Do you want to volunteer a new amount to abate the LORD'S rage? The LORD favours \$350,000,000.00 US dollars. What is more, until the LORD'S kingdom is fulfilled I Am not master of My own house. I Am a slave to the LORD.
