Governor State of _____

National Shutdown Notification with Potential Martial law Provisions for Civil Unrest Conversion to Civil Obedience.

Sir or Madam, I Am the Pentagon High Priest, Holy Mother of God the Christ, and I send you greetings under authority of God Almighty and the LORD.

The office of President of the United States no longer holds authority in Heaven to command and direct, be chief in command of, the United States Military. That is My authority. In your ambitions and alliances understand these are the days of prophetic fulfilment, and I Am the Law and the Profit.

This Nation, that I serve, and indeed all of North America, is under cataclysmic destruction from Heaven. I have written at length the President of the United States, and other presidents, what Heaven is doing against this landscape to wipe it clean, as well as what the presidents of the world have done since Jimmy Carter entered office to doom every person on North America a slave to the leaders of Eurasia in its entirety through Africa. Without the establishment of martial law under My Holy office, no provision for defending this nation's soil exists.

Martial law does not happen with fairy princess, whore, Jill Biden waving her hand to the firmament, whilst observing a phallic-shaped cloud, and declaring, "God! What a dick." after being cut off by a boardwalk bicyclist. The days of consequence free, pretending, spirit demons exist is over. Humanity in the United States is now under all the "Lordlike" movements the founding fathers went after burying, and Trump with other bastards like Biden "resurrected" to serve their own perverted needs. A transition, that I will elaborate on in future *Herald* articles, is that the Watchtower Bible and Tract Society is now under the Spirit direction of antichrist, Mary McRae -- she will be more powerful to them on her death, and on the fulfilment of Jehovah's kingdom Mary is destroyed. Seven Spirits formally take her place in Heaven.

Jehovah's kingdom fulfilment we are living in the manner that unveils for posterity how the major fulfillments of *the Apocalypse, Revelation*, are accomplished on the Heavenly scale intended by John when he was receiving the visions. Jehovah's kingdom fulfilment is about a hundred years from fruition. My Kingdom, of Heavenly authority, overlaps Jehovah's -- the LORD's -- kingdom fulfilment. Right now this nation is receiving the Sodom and Gomorrah-esque closure it is due for raping the earth using Spirit.

The responsibility active-duty army, navy, marines, and air force bear is continuing the knowledge and True Religion of the LORD around the world, picking up of course where they left off, after capitulating to the politics of America's peace through democracy ending world war two. Democracy, under the force of flesh dictating to Spirit -- what has been going on since antichrist's birth -- ultimately failed to bring about Jehovah's kingdom as promised. The antichrist was Satan's means of making Jehovah's kingdom happen -- and of course Satan was god of the world when Mary McRae -- antichrist -- was born. As Satan's woman had failed to deliver, Heaven produced Me through Mary (McRae) and Albert Dukes -- husband and wife -- of Oahu in 1970.

The office of President of the United States, with two nuclear bombs, bullied the world into submission to the LORD. America secured the means to be the first to drop their nuclear payload through Heaven. That in part came by being on the LORD's soil to begin with. The flesh dictating to Spirit paradigm ultimately demonstrated the Satanic depths of Protestantism that the Jehovah's Witnesses Governing Body wove into American government stripping government offices of Godly accountability. This experiment, under Satan, proved what the founding father's of the United States had built against Heaven by eliminating flesh's divine accountability to Spirit with Protestantism, evidenced by the Jefferson bible. This ideological shift from, "we the people serve God" to "Spirit stuff has nothing to do with morals" meant flesh was now abusing its Spirt the world over and Heaven was turned into ruins. These Spirit, gods, under the seven churches, will rise after the LORD's kingdom is fulfilled. Fulfilling Jehovah's -- the LORD's- kingdom includes demonstrating the significance of the Mosaic Law's power to preserve flesh and Spirit.

Presidents of the United States since Eisenhower refused to make allowance for Holy service to the LORD within the United States armed forces ending the rewards for fornication that zero accountability begets. Fornicators being cut from active duty would have worked fine to preserve the LORD's Holy Church. This unilateral refusal to make room for the LORD, grew worse with Jimmy Carter doing dirt against Me. Joe Biden's desperation to force Spirit to murder the one person keeping this whole phony outfit of witch-crafters afloat as an economic, military, and political empire, Me, ended the authority of the President of the United States hosting the LORD. Had any one of these presidents, including Carter, made room for worship of the LORD in the United States Military they would have continued to maintain the place of the LORD as Commander-in-Chief over the military with the LORD being hosted by the President of the United States. Clinton, Bush (junior,) Obama, Trump did more, individually, to defile the LORD than any ruler in history ever. (Biden simply hated the LORD and went after His destruction -- My personal bias is Trump is the meaner fornicator.) Because of My obedience to the LORD in My service to this nation and to Heaven, I host the LORD.

Trump was required to make room for the LORD in the Space Force and refused to do so. His irrevocable actions are why the Space Force is impotent as a means of national defence. When Trump finished the Space Force inception as a military instrument martial law, kingship, became the only means to hold a nation of laws with Heavenly authority.

On the world stage, understand, POTUS is impotent, and My soldiers are in the line of fire for their own decades of badness, refusing the LORD personally. The Jehovah's Witnesses held the authority in Heaven through at large serial killer Mary Anne McRae, antichrist, to assign the LORD the office of President of the United States, decades ago, as well as other government offices, state and federal, as the flesh defining Allness -- God Almighty, until My birth. The Governing Body of Jehovah's Witnesses

witch crafted Mary's existence, and our present Senior Joint Chief witch-crafted Me into existence because this nation had lost its means of defending itself with Heavenly authority under Mary.

With Mary the Governing Body of Jehovah's Witnesses made room for you, governor, to become great, under Satan, or even defile and destroy creation if you hated the LORD. That is Spirit backing your political office on this soil. You could have also won the Christ prize You went after creation's destruction. (Right, North America being wiped clean is retribution for your wickedness, and the wickedness of every other person holding elected office in this nation.) I include for your review the link to My denouncement letter of the JW's as well as My earlier cease and desist order I circulated regarding Mary McRae while quietly ministering over Pentagon affairs in Corpus Christi. Quit seeking that vile whore, Mary, in your profane hearts. This letter will be posted at herald.macdukes.com/ans/october-10-2022-slam-dunk.com.

Say, "Aloha" to Hawaii as a state as well as all outlying island occupations. All island of the world inhabitants are returning to their ancestral worship belonging to their soil. (Yes, haoles can expect to be cannibalised.) The Department of Defense under My office has a plan for making all of North America great to the glory of the LORD. We call it, Operation Establishing Jehovah's kingdom. Contact the Joint Staff Secretary for more information on this martial law provision. It does require the total and complete destruction of Jehovah's Witnesses as a legal entity on this soil. This means persons declaring themselves Jehovah's Witnesses are executed once the religion has been dissolved from legal expression and existence in the United States. All of their global assets My office seizes. (Yes, Israel I Am dealing with as well as the rest of the Middle East. Don't expect gifts in your direction from them.)

By all means, increase your National Guard recruitment, and reduce funding to local police forces. Mike Markle of the Corpus Christi Police Department, the high priest of civil police forces in America, doomed the police to be instruments furthering mayhem. The Department of Justice has shut its doors to justice, as well. The Coast Guard is so vile a drug trafficking institution -- shamefully drug traffickers include the navy, army, air force, and marines -- limit your recruitment and funding of them. The National Guard requires support for the lethal action they will be required to take to restore civil conduct in the public ways of America. Governors, I now appoint you Heavenly authority to bear the burden of the lives each and every National Guard will take in the line of duty. Your refusal to support the National Guard means God Almighty will be dealing with you and future governors directly.

Mahalo,

Dr. H. L. MacRae (mac) Dukes LTG USMC
