Issue conscription orders to the Jehovah's Witnesses. They refuse to fight for Russia execute them.

President Putin, I will await your delegates. (My prisoner of war status We can split hairs over later.)

It is true, you did indeed need, My power, not Heaven's to destroy the Jehovah's Witnesses. Let us maximise this order to deliver the greatest good to all Eurasia. We will call that profit maximising. The fucker that according to a Fox News www headline was caught desecrating your parents grave, let's toss that shit to the fire too. The power of My hand is not limited. I joyously look forward to performing every deed to gather every ounce of booty possible from the JW camp to fund government. Killing those that run from My front line, is just bonus.

Mahalo,

Dr. H. L. MacRae (mac) Dukes LTG USMC
