Washington D.C. 20008

Sir,

When Abraham was offered money from Sodom and Gomorrah's kings for defeating a common enemy -- that sent the two kings into hiding from the battle -- he refused. Abraham's refusal is the epic insight into dealing with people who corrupt divine power to earn wages enslaving others. I realise this is not news to you. What is news is that Abraham is the patriarch of humanity who was the first fleshly person to build the LORD'S identity for preserving flesh alive, and the Mosaic law is of course the product that demonstrates whether or not the LORD is being served. Blessings were bestowed on flesh for serving Him. What is the problem of modern day?

The LORD was corrupted. Abraham knew this! Abraham stored up seed, flesh, for the Heavens from his seed to serve as slaves in Heaven to replace the Sprit seed incapable of protecting flesh. This is why Benjamin ended up being allowed to plead their case to take wives after the Levite sacrificed his concubine. You as flesh have the blessing of being one of those slaves.

What are Abraham's seed through Sara? Slaves to the LORD. Who is the LORD? My God. This is the truth of what Rebeca was told, twins are at war within you and the older will serve the younger. God Almighty is humbly in service to the LORD, and the LORD is in the Lamb's domain, now.

Israel has a fine military body. I will enjoy My hours in training alongside them. My military leadership training manual, *Live Fornication Free*, will be written formally in Hebrew and Aramaic, then into English. Greek, and then the God's Language, Cyrillic protocol will be followed, expanding the Russian alphabet in respect of historical theological documentation to provide Spiritual food for, of course, a large army.

I will be expanding My influence immediately across Lebanon, Syria, and Jordan, and into portions of Saudi when I join Israel. The Saudi empire will initially collapse toward Sini as will Egypt's grasp of Suez. Iraq too will be joining us. I have screamed to Pentagon and Mossad surveillance, "I want Brotherhood." I don't care who likes or loves whom. We will bicker through some battles, and at the end of the day, sit at the same meal together.

Understand I will have a force of fifty-thousand in My command that will be moving with Me through America's urban regions harvesting all who need harvesting.

I Am certain there are security personnel who have verified My existence as an individual, flesh, soul of this earth. The Pentagon's power is an ancient source, and it belongs to Me. They do

have an impressive building. I have never been closer than the Potomac River boat-dock-park sidewalk ending.

Antichrist is a being of profane ambivalence. Spirit that favoured her destruction of flesh could not have existence. They could not be destroyed. What happens? Those enslaved by Abraham in the LORD'S service are Mine. These are persons whose conciseness and understanding of themselves are preserved over the consciousness of Sprit and have life in the Heavens eternally as slaves to the LORD. I have written *Herald* articles that discuss antichrist's perversions of behaviour. It is now noon day central time, and I Am moving though these keys quickly, to make today's post.

Making today's post may not seem like much. But let Me make clear, first I Am limited to bussing, and pedestrian travel in a sprawling Texas mini metropolis heavy on filth; lean on public services. I have no printer in My office. I have no internet connection, and enduring a three year hate crime focused on murdering Me plundered My personal assets. The Presidents of the United States, the Justice Department, the Governors of Texas and California, and lastly the law enforcement bodies of California and Texas, State, County, and City, focused every tool at their disposal to plunder My estate, and force Me into starvation while protecting the serial killer who holds My assets in her name.

The serial killer is antichrist, Mary McRae. She and Terry Smart need to be jailed for murdering My grandmother F.L. (Shaw) McRae. The corruption of the Department of Justice in this matter is why international courts will no longer be upholding United States patent, copyright, or intellectual property claims for global products. This is why My intellectual property is to be developed first in Israel building treasure on earth, and creating treasure stores in Heaven. Releasing My work in America would not have international protection.

This might seem dramatic. This is the problem these aforementioned fuckers have, Hitler once he had discovered the Jew he could not murder would have known, "I have found the Christ, it is time for the Fatherland to conquer the world."

The wonderful thing is, is yes, we do conquer the world. What is first? Population mass extinction. You sir are My slave. If you were to begin starving to death today so that you ended up surviving twenty-eight days without a bowel movement, you had lost the ability to register pain to your muscles and joints, and you had no sanitation facilities that were not in public view, I would still be a better slave owner to you than I have been treated.

I survive on very modest means. My assets the Corpus Christi Police Department plundered and the United States Military has refused to make restitution of My back pay for the ten years of My present commission. I say these things to you because if you want to cry poor mouth with Me and plea two coins of small value are all you have to offer your God the LORD'S High Priest, fine. You see, as the battle intensifies My eyes gleam with the prospect of further hunt. I love the hunt. What is better, you are already My kill. Go ahead and make it harder on Me asshole!

The entire national body descended through Jacob, Israel, belong to Me as slaves. Send Me, your master, My due. Do we have wealth to build? Yes. Absolutely. The righteous works performed by the IMF in My care deliver benefit to the world. At first we will look a little stingy as we clean out the inside of our cup, and then of course benefit the North American continent by wiping out Mexico and Canada as well as the undesirables of the United States. My fingers are rolling across My keys rapidly now. How I love to savour the conquests of battle ahead.

We need to travel to Norfolk Virginia before I journey back to Israel. It is in the hands of the LORD how you, as in all of My slaves, volunteer themselves for the benefit of their master. I would love to be in the place of closing this letter with warm regards in anticipation of your willing service. How I leave this is, we will be meeting soon, and I don't give a shit about how you think you will greet Me, because your face is going to hit the floor in submission when we meet.

The United States Military is free to volunteer themselves any time they decide they want to be on the winning team. Abraham dedicated his seed to the Heavens for the God, the LORD, who owns North America. When the United States greedily attended to its divining in the niggardly fashion against the Heavens they did, it meant the LORD was restored before His slaves could joining Him in Heaven. Abraham died in the manner that preserved the LORD. The previous Israeli alliances are bull-shit, and what exists is instituted from the Heavens, and orbits around Me. I endured torment to restore the LORD. The niggers of America like Obama, and Trump coauthored the torments with others, like that now dead Queen of England.

My home is at 4622 Dody Street, Corpus Christi Texas 78411. A post script about Me. The cure to COVID is in My blood, and the cure of the second mass killer requires My spouse as well. I have two cats that travel with Me. I Am a clean individual with no record of abuse because I have not abused narcotics nor involved Myself with associates that would put Me in jeopardy. The torture I have endured through the years has been unjust. My slavery to God Almighty is My privilege from birth. My website is macdukes.com. I leave this matter in the LORD'S care.

Mahalo,
