Process the Christ's Citizenship Immediately

Population and Immigration Authority Minister,

This letter will no doubt pass through the jaded and simpleton hands of abortion stool warming letter reading aids before making it to the hands of a high level fornicator, who is living the benefits of perversion against the Heavens being a willing servant of antichrist brings, in our modern day. To the abortion stool warmer, may you never be allowed another abortion. As the Scriptures say, through child birth your will be saved. To the Minister of Population Immigration to Israel, until this demand to process My citizenship in Israel with all privileges and protections internationally it brings is processed, the only persons lower on the world stage to Israel will be persons of the United States. You fuckers are slaves to Me and never is a slave greater than its master with any Heavenly blessing.

Process My citizenship and send an escort with My unfettered access to the national accounts of Israel into My hands immediately. Until this call to action is met your blood will be pouring from the wine press of God Almighty in priority over even United States citizens. The holocaust will be remembered as an all inclusive resort by the time I Am done with you for failure to serve your Master immediately.

You may send emissaries from Houston as their embassy office is close to My home, 4622 Dody Street, Corpus Christi Texas, 78411. There is a local Rabbi in Corpus whose meeting rooms are on Saratoga Street. I will leave this murdering vampire a written notice of his requirement to serve Me. Until you sever yourself from all association with the United States in public broadcast and in deed, that fuckers treatment of Me will be against you countering your own efforts at obedience to this notice. Failure to obey means on every shore of diaspora to even those claiming to be Jews, this consequence of exsanguination from the Heavens holds. This means your flesh will be suffering much.

My recent correspondence to Herzog I enclosed for your reference. I utilised the email addresses provided. Hard copies will follow in the post.

Recall what the words the prophets of the LORD He told in the days the Torah was penned, if I sent you to another people they would listen. Recall even in the, gasp, narrative referred to as Gospel, should Moses or the prophets be resurrected they still would not believe? You people have vested yourselves in every form of divine corruption that Abraham built protocols to unbind with the obedience of one, when all of you went after cannibalising the LORD, your God, the God
