## World Peace, the True God is Making it Happen

The Fine Shepherd is collecting His scattered sheep. The perversions plaguing government He is correcting. Only God can change peoples' behaviour from lawless to righteous. To follow the ten commandments was easy, simply have no other gods. Eliminate idolatry and be jealous over worshiping God alone and viola, the other nine commandments fell into place. The blessing for worshiping God alone is that there was no lawlessness.

MacRae (mac) Dukes is the King over Israel, Secretary of Righteous Warfare in the Church of Christ. Her writings put on notice the corrections God is using, to whom and why. Fornication, blood guilt, and deceit are the first problems God's sheep are mending being His friend.

## Two Witnesses

Christ's kingdom is coming on a sea as smooth as glass. Wicked persons will die at God's hand. He is using His witness, mac Dukes (Paul the former Saul of Tarsus is the first - and will return to earth in Christ's kingdom with the Christ) as ark and prophet. Her reward is continuing her life of obedience to God as His spirit wife once He establishes His Kingdom on earth. It is possible through hard work and dedication to be transferred as Elijah was and receive eternal life from God who is eternal and gives life. Build a friendship with God to make this happen. mac teaches people how to be God's friend as Abraham.

By perfecting your faith, you become like minded with God and he preserves you alive working for His Kingdom on earth. You are resurrected in His Kingdom sinless and living forever in righteousness with your memory intact. Understand this, if you are a blood thirsty religious leader looking for God to destroy the wicked, just wait. You will learn righteousness too. After the thousand-year kingdom of the Christ not so much as one conceived human being will miss knowing who the true God is and what it is to live. It is through mac Dukes that God is revealing who He is to His creation for a smooth as glass transition to world peace under Christ's heavenly kingdom established on earth.

## Come to the Fine Shepherd

The Fine Shepherd is the true God who directed the steps of the nation of Israel, sent Christ in fulfilment of His promise, and is famous by biblical account. He loves His human creation. In the Bible He preserved His words for humanities' salvation. By reading the Bible and praying to the true God, the God of Jesus in Jesus name, and asking Him for His direction about how we make decisions, we will have life.

## The Gift of the Christ

Serve the true God proving that we love Him by our deeds. We prove our repentance for sin. In this way we work for our salvation. Forgiveness exists. There is no way to earn forgiveness, just daily ask. Our righteousness we must prove. Righteous acts prove we love the gift of the Christ.

## The Prophetic Message of the True God

Declaring the prophetic messages of the true God against false religion, the false prophet, and all human conduct that will earn destruction is the purpose of *true God and mac*. It is the relevant news of this day declaring the true God's actions against wickedness to prepare those who will heed. These are the sheep of the true God. Those that heed the warnings and correct their conduct will enjoy the mercy and friendship of the true God. This herald is the work of the true God's faithful witness and prophet.

## False Religion and False Prophets?

"True God, the God who delivered Israel out of Egypt and provided your own flesh, the Christ, to save humanity, please identify yourself against false prophets and false religion on the www so your sheep can find you and not the profanity Satan is clearly creating. In 'Jesus' name', Amen."

## Being a Prophet

These articles, written by mac Dukes during inspiration from God, accompany the Bible. Use these articles and the companion website to grow your friendship with God. The [macdukes](http://macdukes.com) domain has a school for learning how to be shepherded by God, [headquarters.macdukes.com](http://headquarters.macdukes.com), and the steps you need to take to become his friend. It is a tool for all of humanity to develop the ability to listen to the true God as their Shepherd.

To know our Shepherd, prayer, Bible reading, and wise decisions God requires. God is the only way to life. Not one agent on this earth, until now, is directing billions of sheep to their Shepherd. He is the Creator who loves them. He sacrificed His own flesh for our salvation, the Christ. We have forgiveness. Now we must act.

## This Herald is for Leaders and those Accountable for Headship

This herald discusses Satanism. This includes sexual relationships outside of marriage, addiction, criminal pursuits, and idolatry. These topics God writes to men.

Masculine one, is Man in the context of Spirit, not male. He refers to male or female if man, the arm of an Angel, is referenced. He is the one who answers to God for the life and actions of the obedient one. She refers to male or female. She, Lady Wisdom was the obedient, feminine one. The true God is calling on leaders to take the lead in eliminating fornication from they and their loved one's lives. The partner that is accountable for headship, leadership, in the relationship to him the obedient one submits, you are tasked with bringing righteousness into your family. It starts with your headship and eliminating fornication.

## Not an Easy Read

This herald uses multiple person references. At times God is speaking to the reader. At times mac delivers an opinion. mac takes dictation from God. For the most part the third person will be used. This is the formal writing English convention. In titles and illustrative backdrops to draw the reader to special points, second person is often used. mac's voice often includes the informality of don't, won't, isn't, and occasionally ain't. God's voice is without (for the most part) contraction. Not everything is spelled out. Numbers are written with intention as well as capitalization of God's titles with pronouns.

The basic lexicon of [www.macdukes.com](http://www.macdukes.com) is the Shorter Oxford English Dictionary along with other Oxford companion dictionaries for Latin, Greek, and Hebrew. The English Bible of preference is any Catholic edition with preference to pre twenty-first century printings. The King James Bible is referred to, along with the blood-thirsty vengeance of literal Protestantism, as the Jesse James Bible or religion. Is Catholicism perfect? NO. (Yes, capitalized was intentional.) mac is a logic oriented and tactile learner. She is learning grammar and spelling. This is the only apology. She must improve and is. She must also learn Latin, Greek and Hebrew and transliterate the Bible and ancient manuscripts on sight across centuries of connotative understandings. The favourite Hebrew scriptures is Oxford's, The Jewish Study Bible 2nd ed.
