

The Bride, Ribs?

January 29, 2020

You greedily desiring a feminine life as a member of a 144,000 ruling harem are confused by the gluttony of Solomon's kingdom. Solomon is the name of the person that stands for the number of your mascot's beast.

The true God allowed His opulent home to be built by a once righteous son of David because of the love David proved to God. David's blood guilt prevented him from building the temple. This opulent first temple that replaced the tabernacle assured the Christ of the outstandingly beautiful domestic partner that fulfilled the true God's promise for Christ's righteousness. Perversion believes that the wife of the Lamb is equivalent to the source of Solomon's undoing and gluttony.

The heavenly Jerusalem of *Revelation* is resplendent. It is the stated, bride of the Lamb. We never experience a description other than sublime perfection in a domestic environment. The true God loves an obedient home maker and a giving grateful provider.

Wedding attendees know the form and fulfilment the true God created for the Lamb. This domestic partner was from the rib of the true God. Created of the true God's rib means the domestic partner and the Christ are of one mind with the true God. Oh, the unity of God's sublime leadership team. Satan? Pitched to dwell as a spirit being on earth with her demons. The domestic partner is one woman that lizard will never lay eyes on. Talk about enmity with the woman.

Why A Rib?

The true God declared, 'Let us create humans in our image, man and woman.' The true God then created Adam and Eve with one mindedness. Using Adam's rib to create Eve illustrated the Lamb's bride described as the heavenly Jerusalem. The womb of creation, the firstborn righteous one, resurrected as the Lamb of God, chose her sacrifice. She gives every possible human a

chance at life. Even those with a defective heart that would have otherwise never been born to Adam and Eve had they remained perfect. The bonus, Satan cast the sentence on sin herself for eternity. Oh, the chess game of the true God.

Why is now the time for the Kingdom of the Christ? Every possible human life can now be saved. That was the gift of the Christ who gave up her womb of creation to be the son of man. Once resurrected to kingship, the Christ pitched Satan from the heavenly Jerusalem with her retinue. These wicked suffered from getting away with murder. The Christ delivered a weighty message to John for angels and humans in the seven assemblies that did not belong to the provision of God's shepherd nor belong anymore to Jerusalem because of apostasy.
