

Dust of the Womb

August 31, 2019

he personification of Wisdom -- the Christ -- was the first created of God. Christ was the feminine counterpart. She was created before the highest part of the dust of the world. From earth this dust is the planets and stars we see in space.

"Thus saith the LORD, thy redeemer, and he that formed thee from the womb, I Am the LORD that maketh all things; that stretcheth forth the heavens alone; that spreadeth abroad the earth by myself."

Isaiah 44:24

They Were One Flesh

Isaiah describes the true God as spread abroad or stretched out the earth and heavens alone. In the same verse He describes forming one from the womb. The Christ was the womb of creation. They were one flesh. Hence the many comments in the gospel that state plainly, I and the Father are one and if you have seen me you have seen the Father. When Jesus died that terminated their marriage and one flesh arrangement. The true God in the Bible takes credit as the LORD for creating alone. The one flesh team was the creative force of One. The Christ had the greatness of God.

Everyone on earth earned a death sentence being born from sin, a descendant of Adam and Eve. When I die along with all of humanity before Me, it is cruelly fair. In other words, because of fornication -- not sex, the other one -- in the Garden of Eden we earned a death sentence. Satan decided in a jealous tantrum to cut humans from God. This is curable. The cure, resurrection to the true God's Kingdom.

After the thousand-year reign of Christ the true God receives His crown and reigns eternally. Christ's thousand-year Kingdom commences when Satan is jailed. Undoubtedly Satan will

attempt to offer the Christ all the kingdoms of the world just before incarceration, an attempt to derail the true God's objective for saving humanity. We already know the Christ's answer to that.

Everyone Born in Sin Dies

Buy into the lie that a human acting on sin can live forever is the same poison that Satan sold Eve with a scabby fruit shrub that only a talking snake would get a human to look at twice. (See God showing you that scabby tree.) The promise is death for sin. Sin is in our blood. The Jesus was in the grave three days. He should have had eternal life. But, Jesus was set up to take a rap for blasphemy. Jesus was not the promised Christ, King. Jesus was the spouse that never wanted to live with the horror of what Satan had done.

Jesus was born from Joseph and Mary perfect, sin free. The first provision to save humanity, his sacrifice and resurrection as a masculine spirit being. Restoring the LORD's grandeur in Heaven. The second is his kingdom, installed in heaven since his resurrection. Once God shackles Satan in the abyss the earth heals during Christ's earthly Kingship.

He was born from Joseph and Mary perfect, sin free. The first provision to save humanity, his sacrifice and resurrection as a masculine spirit being. The second is his kingdom, installed in heaven since his resurrection. Once God shackles Satan in the abyss the earth heals during Christ's earthly Kingship.

During Christ's Kingdom we will be growing to perfection and restoring our planet to a garden. In both Christ's Kingdom and the true God's Kingdom is a resurrection. The difference?

Like Lazarus and other resurrected ones, we are not resurrected sinless in Christ's Kingdom. It is a resurrection to judgment. We are resurrected to grow to perfection in Christ's Kingdom and put in the true God's book of life. In the true God's Kingdom is the resurrection to life. We are resurrected sinless because eternal life we earned in Christ's Kingdom. We have eternal life; because the One who is eternal gives us life.

Entering Perfect Life

The final judgment is when Satan is released from the abyss, puny and atrophied, after years of isolation. After this brief -- compared to eternity -- final testing the chapter on imperfection God closes. Sin ends because all living beings learn to worship God alone. The Christ wars against sins produce. Satan is destroyed. Satan's period of release and the presence of sin is

what makes the resurrection into Christ's kingdom a resurrection of judgment. But humanity will be healthy and have many years under the Shepherd's love before the final testing.

The true God's Kingdom begins with the Christ turning over sole kingship to the true God. Everyone, because of their love of the true God, in His book of life, He resurrects.

What it Takes

With the true God as your Shepherd, is the only way you will attain perfect, eternal, healthy, and wholesome life. First you grow to perfection free from Satan. God gives Satan a week (once she has atrophied for the thousand-year kingdom in the stockade (abyss)) to stir up a new hell storm on earth. Once the agitators and traitors to the true God's coming Kingdom of sinless perfected life have learned obedience to God, against their creator Satan, all Creation is free at last. (This is another one of those paragraphs mac wants to turn into eight-hundred pages. She is leaving it be.)

The True God is the One,

"That confirmeth the word of his servant, and performeth the counsel of his messengers..."

Isaiah 44:26

There are requirements we must live up to, to prove that we are living our faith in the Christ's sacrifice, and, furthermore, we want to be counted as the true God's sheep. Live for that day when Christ is King as if it is tomorrow. Be thankful waking up living under another day of secular governments, they are, after-all, the true God's provision. And God is acting against their injustice.
