

Eye for An Eye

January 13, 2020

If you had an inkling of an idea about the title's meaning you would know the expression means that the true God learns from you how He can extract justice from you for your perversion.

Really? Eye for an eye? Do you in your wildest dreams really believe that your wrath does not work the true God's righteousness? Because, if you had an inkling of an idea you would know the latter expression means that the true God learns from you how He can extract justice from you for your perversion. Did you take your fellows only ewe? Guess what? His prophet will find out from you the sentence.

King David wished death on himself after assaulting Bathsheba. She obedient to her king, capitulated. That is a fucking. And women have suffered much from those fuckings. That is how qngmic came to power. And you king-dick have your sentence.

The true God only exacts an eye for an eye. If you strike His faithful in the eye, He will ask only that from you. You would be giving that eye of yours when you understood it was the true God afflicting you in retribution. Retribution and righteousness are here people. The true God has His prophet and because of what she endures He has power on this earth to take back for the abuses of the wicked. You, puny man, may never return in kind without receiving da'kind. Got it? Fools. Read that Bible with a heart of wisdom. Read it as if your life, as you remember it, depends on it. Guess what? It does.

On the Take

The woman of the true God; betrayed by her own mother. After years of servitude to mother's love of getting others to wipe her ass; mother promised the total equity from the sale of a piece of property to the true God. Mother retained three quarters of the property equity and left the true God's woman to starve to death or resort to the means of the poor for survival. Her theft was aided by the covetousness of one to the false prophets on this earth, Jehovah's Witnesses. These are the people blood guilty for WWI. Her theft did not stop the true God. Once His determined

barren woman on this earth started birth it happened. A woman will give her life to deliver her child.

The True God's Woman

Here is the paradigm people, like it or not; mac is the true God's woman. While her body has been withered for her survival, she is in no way a victim of the pains of the impoverished. She sits in a suit, beautifully carved from her previous ampleness, in her favourite coffee house this morning on the most beautiful suburban beach the Pacific coast has to offer, and she is writing faithfully the true God's declarations. Her living quarters provide what she needs for shelter and she is in strong spirits against the enemies of her husbandly owner, the true God. It is true, she has no funds for solid food. She survives on milk just as the impoverished sheep of the true God. Meat is served now.

Sheep, God rebuilds your mind and body while in faithful service to Him. Flee this world's religion, fornication. Rebuilding Jerusalem's walls is now, and you have a pasture in the writing of the true God's woman. mac's body; soon fortified with meat. A covenant fulfilled. A symbol of Jerusalem's arriving on earth after the seven weeks have concluded. The siege of inequity and injustice is going to be rectified. No one lies to the true God and lives. As far as mother's resurrection along with Ananias and Sapphira do not look for them to have long in Christ's Kingdom. It is the true God who gives life to those whose heart is complete toward Him. His sheep are repentant of sin. They do not steal from Him. When we ask God for forgiveness of sin we are saying, please replace the sin in my blood with righteousness. Any time God does, we work.

Another Take

The announcement of Jerusalem's rebuilding, done. We are in the seven weeks of the time. Christ prophesied about the sign of the times. Those were the times of the time, two-times, and half a time of Daniel. Christ's Kingdom government is established on this earth when the righteous annihilation of the wicked is performed. Who would be the first of the wicked to lose their life? The one who lied to the true God about funding His woman's corporation on earth. Guess what? That pittance did not stop the kingdom's birth through his woman. Jerusalem's rebuilding on earth is during Christ's kingdom. Bible prophecy is being revealed just as the truth of the true God's Calendar has been published.

The false prophet greedily sought the fortunes of my mother to fund their false hood. Condemnation is yours. They were instrumental in furthering her love of money. She, who knew who her daughter was and hated her. Did you two have fun being the dragon? Wave to your mascot. You don't need a cross. The mascot is clung at the top of the Wallkill building, a gecko. That lizard loses in the end. mac is tucked safely away in the wilderness nourished on Truth. You are reading it. The death of Mary McRae is the first of Satan's servants to die at God's hand. Just like C.T. Russell died on Halloween, Mary's death will be God's means of illustrating the serpent she served with her whole heart.
