

Let My Firstborn Go

January 2, 2020

Deliverance is here. We are living in the first seven weeks of the seventy weeks. (If you linearly interpolate that, Satan did the same thing after reading this. That lizard does not know the true God either.)

The Plea for Release

False religion -- Egypt -- let the people of the true God -- Israel -- go with regret. Religion start identifying yourself with the god you serve. Deliverance requires our own perseverance and a decision to be righteous followers of the true God. The righteous witness the hand of the true God destroying those choosing wickedness. The deeds of the wicked, unrepentant: fornication, stealing, lying, and worshiping god -- also fornication. A nation of profound false religion suffered with wailing -- in a shadow of death -- the night of the passover. (Capital P is a pagan celebration.) The true God's angel took the firstborn of all those that did not put the blood of the passover lamb on their entry door in symbol of their obedience and readiness for deliverance.

Moses and Aaron came to the Israelites and announced themselves with, 'We are here to persuade Pharaoh to let you go, leave Egypt for your God; the God of your forefathers, the God of Abraham.' The true God identified Israel as a firstborn son to Him when speaking to Moses. The true God knew when Jesus arrived as a ransom, gathering the lost sheep of Israel, it would be Israel's own false religious empire rejecting their king and high priest. The scribes and Pharisees that sought to kill the messiah are no different than the religious leaders of today.

Seven Weeks

Deliverance is here. We are living in the first seven weeks of the seventy weeks. (If you linearly interpolate that, Satan did the same thing after reading this. That lizard does not know

the true God either. Postscript, the sixty-two-weeks is in the thousand years of Christ's earthly Kingdom. Which orbit marks that year's duration?)

Listen, pharaohs of this world. Repent, serve the true God, or you will suffer no better than the Pharaoh of Exodus fame, and guess what? The true God will still take His sheep from you. They will not be your slaves any-longer. And you still die. Think of not repenting as your opportunity to be a better version of yourself in the true God's eyes. You will have no memory of your former wicked life when resurrected to judgment in Christ's Kingdom. A win, win, as you like to boast.

Persuading Pharaoh

Religion you do not represent the true God. Legal government is the true God's agent and will be doing the true God's will. Ultimately, it is destroying you because of your profane burdens and thimble rigging every dishonest form of humanity and cheat in this world under the guise of being a servant of god, a "good Christian". (God says to Goodmans of Coronado, "You are a thimble nigger.") After all, you are a harlot. Yes, you serve Satan, god, in whatever name or form you have assigned her. mac does not know which she likes more, thinking of Satan as a frog or a woman in the hands of corrupt men she adulterated.

Moses is in Your Face

Moses has arrived at your door, Pharaoh. At the direction of the true God mac is voicing to bring about His meanings ahead of His fear inspiring day, and announcing His deeds to save His sheep. Your many prayers to god will not save you. The true God has shut His ears to the prayers of those with no heart to learn who He is. You will need to humble your hearts, change your doctrines, and petition the true God as defined in His *Herald*.

Those that have raided the pastures of the true God, restore them. If you are a religious; leader, elder, bishop, pastor, father, shepherd, pope, deacon, rabbi, teacher, minister, fortune teller, sorcerer, priest, witch, spirit medium, mystic, yoga instructor, astrologer, guru, card reader, smoke conjurer, nymph, fairy, sprite, chemist, sniper, kamikaze, snake charmer, or otherwise instructing people in spiritual matters under any title: dump your ministry. Your eyes are feasting on the place where instruction to serve the true God is found. This is only mandatory if you do not want to die in the seven weeks, judged wicked.

Armageddon

God's mountain where unrepentant Pharaohs and wicked shepherds meet their end is Armageddon. The seventh angel pours out his bowl. End the blaspheming filth of your Satanic institutions of perversion and misunderstanding. Because of His Ark, God can now deliver His penalties, you lulled yourself into believing would never come. This *Herald* announces the deeds and decisions of the true God. No one on this earth, now, is a Christian. Rebuilding Jerusalem happens in the coming sixty-two-weeks. The wall was rebuilt first. When Christ is King over the earth humanity is Christian.

The True God has a Proper Name

The true God will be sharing His proper name with His sheep through mac after religion understands they are going to live severe penalties for claiming it. Religion has been committing Satan's bidding under the titles of the true God in gross error with a sentence of blood guilt. Understand the true God does not tolerate His title, God, being used in Satan's empire. You, religion, are a false agent. There are only two witnesses of the true God that deliver the true God's message against religion to stop deceiving the sheep of the true God.

Religion do not use the title "God" anymore. You are hereby given a brief period during our seven weeks we are living to repent of your false teachings. Understand, the true God will be deliberate and targeted in His declarations against you through this witness. You will know that you have no protections, landmarks, rights, or privileges on this earth to escape His judgment against you for your many fornications. Religion teaches perverted lies about the true God, His Christ, and how to attain eternal life -- life that is given by the one who is eternal -- and where. The lies taught about the promises of the future make you blood guilty. The true God is merciful.

The Two Witnesses

The two witnesses do not accept a bribe, turn away the needy, or afflict just persons. They leverage their work in the true God's service by every honest means to support their long lives and the services the true God wants them to provide for His sheep. In short, the two witnesses profit with blessings of the true God.

The two witnesses provide food for the true God's sheep. The true God will see to it that no one is denied the opportunity to share in financial support of the true God's message. The true God will view those that contribute as asking for His care.

The blood guilty obtain direction in answering for their blood guilt, and their concerns directed to the true God may purchase consulting assistance. Consulting and instruction are in part delivered through this *Herald* and the companion website. Governments will require attention specifically focused on their policy, doctrine, or procedures to eradicate the perversion in their teaching. Repentant leaders will require dedicated attention to their own departments.

You have a Plague in Process

Religion you have been served a notice that unless you remove the true God's titles and this includes, "God," you are going to face increasing consequences of the true God's wrath. He wants His sheep to understand how they are being deceived and defrauded spiritually by you, religion, harlot. You will not last. You are going to face the true God's burning anger. God is kindled against you and your signage is smouldering.

Self-Control

The true God demonstrates self-control in abundance. Destroying living beings is not His pleasure. Destruction will come in many forms with the true God's justice behind it. Are you a church with a meth-lab in your basement? Guess what? Fire from the heaven's, the armed forces, will destroy it along with your profane house of worship. See your destruction? Tune in, there will be so much more to come. Not one sheep is destroyed in that action.

To elucidate the shepherds' will be so cooperative that if a Norwegian learns that meth destroying his children is being provided by a lab in a church basement in Hollywood California, USA. The Air-Force of Norway will incinerate that United States location. In the United States our armed forces are not allowed to be used against our own people. We have the National Guard for that. So, Hollywood deacon, you want the National Guard or Norway to destroy that meth lab? Perhaps you want to know targeting accuracies first. Your permissive residence might be attached. The true God knows these stats and every member, sheep, in His armed services the world over.

And what the United States will be doing in retribution to Mexico, Brazil, and Costa Rica. Look out India, your pharmaceutical companies will not last. Ah, justice. The USSs' Mercy and Hope will be making more rounds the earth over.

The Execution of Deliverance; A Dark Night

The Israelites would have never crossed the Red Sea when Pharaoh would have had an iota of assistance of light when traveling through the night after them. He would have been in double blackness. The true God's angel would have moved in blackness to take those lives that night. Start publishing the truth of your profane Passover celebrations. These are mapped on the calendar and seasons of the southern cross, and you do not have a leg to stand on.

Egypt's fields were harvested when Moses and Aaron entered to deliver the Israelites. When Pharaoh pushed the Israelites to gather their own straw for bricks, there was only stubble available. When the hail plague hit, months later, there was early wheat and barley in the the fields. All the other crops plague destroyed for human harvest. By the passover the wheat harvest had occurred and ground wheat for unleavened bread was plentiful. Congratulations, religion, on mapping the Southern Hemispheres seasons on the Northern Hemisphere and profaning the passover.

You false prophet and false religion are blood guilty. The two witnesses of the true God; the only heavenly bound individuals on this earth. These have long on this earth to live and much to accomplish. Repent of your profane doctrines attached to the passover. False prophet and false religion you have deceived persons that need time to repent to reduce your blood guilt.

Demanding Repentance

The true God employs His two witnesses to deliver His declaration against the false prophets, false religions, puppet government of Satan's empire, and the corrupting armies of sin's merchants. The Ark, one of the two witnesses, is leading honest shepherds' legal government, in defeating the agents of sin that are destroying the true God's sheep, and overloading government with economic burdens that cannot be sustained. These witnesses are declaring the fire from the true God of His prophetic message delivered in the Bible. God's prophets explained how the true God's Kingdom becomes established on this earth.

mac's declarations are going to keep coming against you. The truth about the perversions of the tenets and doctrines of religion and the criminal blood guilt you hold will be yours to hold to

the grave unless you repent of your false teachings. You can change. Avoid destruction with all of Satan's other agents. This is the sign of Jonah. Repent of false teachings. Learn from the true God's two witnesses or you face destruction. Pharaoh this is your period of time to repent.
