

Religion Has No Shepherds

July 15, 2019

The words of Ezekiel ring true today. The "shepherds" of religion push out the ones most in need of spiritual instruction. The sick go without medicine. The injured go without bandages. The lost still wander. Everyone not fattened by favouritism; they drive harshly and scatter.

God's flock is scattered and tossed about because man is an; incompetent, selfish, dishonest, stupid, and violent agent incapable of directing even his own way. A human has no business being a shepherd. Slight-of-mind and fornication-heavy men run Satan's religion wheelhouse. They bless one another appointing their own kind, wolves to "shepherd" the flock.

The True God Knows the State of His Sheep

In the "name" of God the true God's sheep are abused, sickened, raped, lied to in His "name", extorted and disowned. The true God realises this. All of humanity is the flock of the true God. All of us achieve salvation; some at-last, and some at-first. The steps of salvation; enter the body of the Christ, the congregation, and then enter the Shepherd's own perfect Kingdom. The true God is not partial to any aspect of our humanity. It is our conduct, our dependence on Him, our requests for help, and obedience to His voice, that prove us His sheep of His flock. If we are struggling, He will mercifully bring us into the fold while assisting us to clean-up our conduct. In this way we reflect His glory and mercy and not clash like a gong, Satan's brand.

The Shepherd is Seeking His Flock

This is the day for the prophecy of Ezekiel to come true. The Shepherd is seeking out His flock. He is looking for every opportunity to answer their prayers and make himself known to His sheep. The role of a man is to care for his own family. In our time of trouble, it is for all of

us to look out for those that are defenceless or weak, as well as widows and fatherless ones. God leads us first into the congregation of the Christ, called away from false religion, Satan. In the congregation of the Christ is pure worship. Only shepherding by the true God brings you to the Christ.
