## How Do You Pray to the True God?

*Make the call: God of Jesus insert contents, i.e.: I love your word, conclude in "Jesus name" amen. How Do You Pray to the True God?*

Do not pray in front of or with any; alters, shrines, idols and/or objects of religious devotion in your hand. This is, by definition, idolatry. The true God hates these practices.

A best practice is fold your hands, have your Bible handy, and close your eyes if you are in a safe place. (Hugging or holding the hand of a friend is good.)

What things can you say in prayer? Everything. This is your relationship, and as it grows you will become a better version of yourself. You need to ask that the true God's will be done.

Can you pray for others? Yes, that the true God's will be done in their life. Praying out of love for others and not an 'I told you so ax to grind' is important here.

How do you pray for yourself? Ask for help in searching out your heart. Ask for help at seeing where causes of trouble are in your life. Use [How to Get God to Talk to You](#)

How long is a prayer? Long enough to say; "God of Jesus, I love your word, in 'Jesus' name." Or a single prayer in private can take hours.

## Testing to Build Faith God Expects

The true God is listening. How do you know the true God is listening? You can test this.

How do you know the true God will help you? You can test this.

How do you know the true God loves you as an individual? You test this.

Can you test that the true God exists in prayer? Yes

Can you ask the true God if He will help you? Yes

Can you ask the true God if He is listening? Yes

Asking these questions using How to Get God to Talk to You works.

## Your Needs and Wants

Can you ask the true God for money? Yes, He does not print, counterfeit, money, nor jump claims on commodities. (God says, "No shit, Sherlock.") He will help you search your heart for why you are asking Him for money.

Can you ask the true God for material possessions? Yes, but motives for works are what are rewarded.

Can you ask the true God for a mate? Yes.

Can you ask the true God for a home? Yes, you will be sharing much with your neighbours. You will also be living within your means.

Can you ask the true God for help on an exam? Yes, all that you prepared for and the peace of mind you need can be yours. (Again, God says, "No shit, Sherlock.")

Can you ask the true God to get you into a school? Workplace? or Club? Yes, you will be expected to proclaim His Kingdom and share who He is with others. Your motives for being a part of this group will matter. Note: He might want you in a different one (If He moves you, He loves you.)

Can you ask the true God for friends? Yes. Be His friend first. It makes lonely times easier.

## Pay Vows Made

Can you ask the true God to hurt someone who hurt you? This is a gateway to Satan for people with uncircumcised hearts. The true God will attempt to reach you with Shepherding asking you to forgive your enemy. If you cannot, the true God will give you your space to learn from the meaner teacher you are seeking. His actions to exercise justice on your behalf happen after you pray to forgive your enemies.

Can you ask the true God for a legal settlement? Yes, be careful here. Where is this money coming from and what tactics is your attorney using? This includes divorce. Dealing treacherously with the wife of your youth will alienate you from the true God.

Can you ask the true God for help in your divorce? Yes, see above. (God says, "Ask Me about l-o-v-e-LINK first.")

Can you ask the true God for justice? Yes. Be sure here you are asking for mercy on the situation in your own heart.

## Forgive Your Enemies

Can you make future vows to the true God? Yes. What you vow you must pay. A vow is not a requirement. Serving the true God by keeping His commandments is what matters. Prayer to Him and Bible reading makes that possible.

Do you need to barter with the true God for things you want? Need, No. But you can. Bartering can be a test in building the relationship. What you vow pay.

How do you know if the true God is not happy with something you are doing? You will be confused when trying to do the bad deed He is attempting to correct. Next, pray for insight using How to Get God to Talk to You. You may not understand why what you want to do is wrong. It could be your motive or the deed itself.

Can you improve communication with the true God? Yes, increase your daily Bible reading, pray more often, and improve your daily habits toward cleanliness and routine, including exercise.

What would inhibit my prayers? Hating another human being. Wanting God to execute revenge on others for you is Satanic.

## Time

Can I ask the true God what secular calendar time His event will happen? No! (God says, "Time belongs to Me.") That pursuit is the gateway to Satan. You can ask about sequences of events or what to look for when the time is near. mac's advice live each day prepared or being more prepared than the day before for what you want.

Can I ask the true God whether I do A or B first? Yes. Own the consequences and follow through. In prayer explain why you want A or B first. Use How to Get God to Talk to You

What does it mean to seek the Kingdom of God first and other things are added? Live your life every day like you are in the true God's Kingdom. This means at a minimum some deeds and some rewards.

## Deeds

Foremost to develop a relationship with the true God -- daily prayer and Bible reading -- you must obey the law, including paying taxes and your creditors.

You will not enter the true God's Kingdom if you fornicate. Your prayers God hinders. Based on your own conscience you will make decisions about how and when you indulge in legal, but consequential, activities. Understand there is a consequence for every action. This includes vaping, smoking, drugs, and alcohol.

Motives are the meaningful criteria to determine the good or bad of our behaviour.

## Rewards

Your relationship will grow. You will start with a feeling of an answer and grow to having a mindful conversation with the true God.

At any hour or in any situation you will know you can talk to Him.

You will know His Holy Active Discipline is working to help you.

You will be able to; improve your fitness, eat healthier, live with clean morals.

With fidelity, you will have an amazing sexual relationship with your spouse. There are nagging issues that will tug at relationships that indulged in premarital sex, but you will be able to work through them with the true God's help.

This list may seem like a simplification, but this list is all a person has to follow to correct the prayers of heart they have built against Heaven. Those prayers where you did some "little" deed knowing in your gut (and heart) it was an, "I'll shown you" against another Spirit backed. Trillions of these prayers people have made in the last decade to leverage and destroy Heaven. You need to cognitively improve working against the "I'll show you" deeds you did that you knew were against another person so you could advance yourself. What is worse, when it came time for you to eat the shit you were due, you were all worse than a Jonah. Of course, no Spirit was forcing you to make good. (The US Military had mac to eat the shit for all the fucking soldiers.) You used Heaven to do against others. You built a big fucking Ba-al, and now God is doing back to you based on all the ways you polluted Heaven, forcing Spirit into being your big Ba-al. And if you don't give a shit, no problem. Hell has your act covered. Not only that, there are rewards you can earn, now, to make hell more comfortable for you.
