

Raise Your Heads Erect

January 30, 2020

Who is the prophet of the true God? She is the advocate for world peace that the true God has on this earth to teach leaders how to transform their agencies into leaner departments for eliminating the burdens of Satan's world. Raise your heads erect. (See God showing you, raising your head erect.) Your deliverance is nigh.

World peace includes streamlining costs and eliminating programs that are a front for Satan's profiteer empires. These are agencies draining government resources under the guise of being a "steward" of peace or eliminating poverty while draining government resources faster than disability and tax frauds.

World Peace, the True God Is Making It Happen

The Fine Shepherd is collecting His scattered sheep by correcting the perversions plaguing government. mac is the King over Israel, Secretary of Righteous Warfare in the Church of Christ. Her writings put on notice the corrections the true God is using, to whom, and why. Fornication, blood guilt, and deceit are the first problems God is correcting in His sheep.

Understand this, if you are a blood thirsty religious leader looking for God to destroy the wicked, just wait. That comes when god of magog rally under Satan's last stand. Why? After the thousand-year Kingdom of the Christ not so much as one conceived human being will miss knowing who the true God is. Not one being has ever received correction from God and not been made aware that they are receiving correction first from Him. It is through the two-witness team that the true God reveals who He is to His creation. The second witness returns in Christ's Kingdom.

Make the Move

Increase your budget and efficacy of every strike with the assistance of the true God. His Ark is His instrument for directing His Holy Active Discipline about the earth. Armies that travel with His blessing because they have eradicated fornication from their midst and seek righteousness God empowers. Imagine with days of dry lightning and a blackened sun striking terror into cave dwellers crying out to Allah for protection. Then with a siren rounding up a disarmed guerrilla militia in the land of Canaan and the Philistines. True prophecy.

That is an inkling of the power of traveling with the Ark of the true God. The morale of your forces at an all-time high without a narcotic. Every soldier moving with confidence striking with caution and innocence. Blood guilt, eliminated. Imagine, you working out the righteous victories of the true God over Satan's empire and transforming the world for growing to perfection with your family in the Kingdom of the Christ.

Read Ye Bible

Remember the unbelievable victory of Gideon and his three hundred men? Read *Judges* again. Read, *Samuel, Kings, Chronicles, and Maccabees*. Ah, then read *Revelation* seeing yourself as the true God's instrument for raining fire at Satan's false prophets, after plundering their every asset the world over.

The proof you need over those despicable agents will be handed to you by the true God. You will legally seize every asset for the acts of war they have perpetrated inside your borders and conjured the earth over on Satan's behalf.

All Legal Government Has Equal Access

Legal government you are the shepherd the Fine Shepherd is entreating to call on Him for assistance in defeating your mutual enemy. The true God is on the move on earth through His Ark, and you can destroy the waste and corruption of the kings of Sodom that are infesting your nations.

We are living in the seven weeks. At its conclusion every living sheep demonstrating repentance, daily, will walk into Christ's Kingdom triumphant over Satan. This sheep; faithfully calls on the true God, learns who He and His Christ are, reads His Bible daily, prays to the true

God in "Jesus' name" asking for forgiveness of sins, and to do God's will. Watch the spectacle of the beast being dragged into the abyss when the seven weeks end.

No sheep will miss witnessing that incarceration the earth over. That miracle is no challenge for the true God. Satan's human organizations destroyed. Goats, sleep in death for their resurrection to judgment in Christ's Kingdom at a time of the true God's choosing to provide everyone the greatest life. The second chance for their corrupted hearts.

People that are engaged in felonious actions and who have declared war against a shepherd are at risk of losing their life in righteous warfare or finding themselves prisoners of war. These captives at least earned their captivity as opposed to the first century Christians that served sentences to Rome. Had Satan left alone those first century Christians, guess what? Her agents on this earth would be left alone. No more. The Ark is on the move.
