

The SS Salvation

January 27, 2020

Half-truths are abundant in religion. Having a friendship with the true God is required to free from religion's magnetism to sin, falsehood. The half-a-time is such because after a decay cycle of the second part of the times self-destruction of sin is at the hand of the true God teaching those that seek sin to taste its consequences.

(Careful with those half-time shows.)

The sorcerers, the unchaste, the murderers, the idol-worshippers, and all who love and practice deceit don't exist in God's Kingdom because they have all learned to love God and He transfers these educated ones into His memory. The Christ rides to prevent the sin seekers from destroying the planet, vegetation, and animal life, while God handles their education. How about more discipline in dorms? Hum? The sea of humanity has a Fine Shepherd, a king in heaven, and two-witnesses of the earth. The SS Salvation cruises.

The Helm

Satan has the Watchtower preaching that Jehovah's kingdom is after Christ's Kingdom. And do you know this is the absolute truth. That kingdom of Jehovah's starts when she is released from the abyss after the times have concluded. That is the kingdom with the rise of gog and magog that Satan reigns over as a whore. (Hear God say, "Building a Ba-al is just wickedness' playbook. A better Jehovah is built next time.") The great slut of Babylon the Great that is destroyed by, yahoo, government. That is God's remnant at the last to do His will. Then gog and magog self-destructs.

The future for humanity is God's Kingdom. Those written in His book of life are resurrected without sin. It has a tree of life blossoming for all humanity fruiting each month throughout the year. The Kingdom of the true God requires the elimination of sin. Sin self-destructs, between Christ's Kingdom, first part of the times, and the true God's Kingdom. The final week of the

seventy weeks is that last time for Satan to live. Satan coaxes the resurgence; the eighth king comes from the abyss and goes into perdition in opposition to the Lamb of the true God -- made famous in *Revelation* -- after world peace with the Lamb humanity has accomplished with God's Word.

What is the problem? There is a world of humanity that believes Jehovah is the name of the true God. Profanity. (Hear God say, "The f-word is cleaner than the name Jehovah.") Now that that profane religion -- Jehovah's Witnesses -- is identified the world over with that famous moniker -- in every language -- God proves to everyone living that the name Jehovah belongs to Satan. (See God bitch-slap Jehovah's Witnesses.)

The Engine

Every religion has truth and lie in this world. The sheep hate that diet. The true God leads a prophet because the Word of the prophet is the truth. The responsibility of wagging the God, profound. In Christ's Kingdom false religion's teacher is abyssed and Christ is the head of the congregation. The times of adversity are due to sin.

You false prophets do not have a clue of how to decode the love letter of the true God to His bride. (Think bridle and medieval English.) One of you at least penned an original profanity to let your neighbour know he was the infidel. Religions write fiction and peddle it above the Bible. While the true God hates the lies of the profane Watchtower Bible and Tract Society -- false prophet number one -- the teachings of Islam -- false prophet number three -- and Satan's direct prophets, you can dial your fortune direct -- false prophet number two delivers -- the true God loves humanity and those who ask to escape Satan's fuel supply.

The Mess

Watchtower, you have starved yourselves on half-truth shuffling the earth with false reasoning and doctrine reflecting less knowledge of the true God and His Christ than a prophet of Satan publishes about Satan. Recall how plentiful the Chaldean -- Babylonian -- religious leaders, magic-practicers, spirit conjurers, and fortune tellers were? mac bets there were over one hundred thousand in that society. False prophet number one understand this, you have spread your profane diet, shit, to the far-flung corners of our planet. You have infiltrated government and government policy to the point that the true God must destroy you first. Does the reader see how *shit* here means the food of false-religion? Understand *shit* is a vision word.

World peace is not an option when Satan has such a stronghold in a seat of the true God's provision for humanity. The true God let you name your religion Dick's Witness because you named your religion after an anagram concocted by the penis envy lizard -- Satan. You however may not use the true God's titles unless you are stating; "We have no affiliation with the true God, et.al." in bold magnified print in every document you create, generate or author. Are you fed up with the true God's barbs false prophet number one? Make that a special topic of prayer to your god, Jehovah.

The Ballast

The final place for all humanity to spa day in pure worship to the true God is His Kingdom. There will be no place for sin to exist. A death sentence Satan proclaimed for sin. Those unwittingly deceived are forgiven. The thousandth generation of Adam is being saved and beyond because of Adam's love for the true God. He fulfilled the true God's word by having relations with his wife, and filling the earth with people. She, Eve, bore in temporary pain. Just as Jesus felt temporary pain and strife. Satan pronounced her death sentence against herself in condemning all the children of Adam and Eve in the Garden of Eden and then betraying the Christ.

The Hull

That lizard is being released from the abyss as a woman adorned with every vanity but without the power of procreation's tools, vagina, uterus, and ovaries. This means Satan is a cunt.

God is Warning You

A **cunt** is a feminine one who possesses male sex identifying genitals that is or acts niggardly. This is not to be confused with a prick. A **prick** is a feminine one who possesses female sex identifying genitals that is or acts niggardly. In examination of masculine males or females, a **dick** is a masculine one who possesses male sex identifying genitals who is or acts niggardly. Lastly noted in the foursome is a queen. A **queen** is a masculine one who possess female sex identifying genitals who is or acts niggardly.

None of these is to be confused with a fucker. A **fucker** is an individual with either male or female sex identifying genitals who is in the act of fornication. Notice God is not calling a spade a spade. No reference is made to colour. Pay attention. God uses these warning words. When

He does you will not experience the freshman titter. The definition of fucker honours her owner. The mother of fornication -- titled Satan -- God named fuck.

Predation

Using the genitals against the will of another is predatory fornication. This is an act of assault. Predatory fornicators, fuckers, are bitches. A **bitch** is either a mule or a dike. A **mule** is an individual who uses the genitals -- including anus -- of another for fornication. A **dike** is the bitch using their own genitals -- including anus -- in fornication.

To receive protection from God against bitches an individual must demonstrate by their actions that they are prepared to defend themselves against these predators. The actions mean exercising caution with innocence. Dress without advertising the genitals. Exercise good sense in the way you place yourself avoiding threats. Learn self-defence. A man protects his entire family with God's blessing in this way.

Boom Baby, Law

Note that man is the one who answers before God in matrimony for headship and a woman is the one who answers to God for obedience. These may possess male or female sex identifying genitals. Until matrimony an individual has yet to be placed by God as either the husband or wife. The husband is the man and the wife is the woman. (Hear God say, Boom Baby!)

An individual with male sex identifying genitals may never be treated like a woman. (Feel God say, "That is Law.") The challenge is to see individuals as God sees them. Males have physical characteristics appurtenant to male sex identifying genitals. Females in like manner. God demands in *Deuteronomy* we treat all those that appear male as if they are men.

Using an Ark

The flood of Noah's day rid the earth of Satan's genetic mutants through copulation. Satan will employ herself will every deceit she can rallying all would be leaders and money lovers that want nothing to do with worship of the true God into a hornet's nest of human superiority. As humanity degenerates the last remnant of the new Jerusalem on earth will be brought into the true God's living memory. This is the one hundred forty-four thousand made infamous -- slandered -- by false prophet number one. God will not have an Ark at that time. His Ark is during the seven weeks.

D'Nile Has A Head for You

Head to Egypt Watchtower. The United States does not need the burden of your profanity. Egypt has already paid for you. The U.S. and all other shepherds need the true God to build a unified and stronger government. It does not need the supervision of a religious order that preaches the destruction of government. Beast. Understand government is the provision for peace and you pay lip service to peace with no ability to effect it because your leader fuck is the architect of anarchy. The transition into Christ's Kingdom will be on a sea as smooth as glass.
