

Tie that Knot

August 24, 2019

Men, you have abused the moral sensitivities of women until they hate you to the brink of extinction. Do you realise that marriage is your gateway to having an obedient servant? Did you catch that? Obedient.

Now, when you fornicate before marriage you have stripped a woman of every shred of dignity she possesses. In her fear that you will not want her -- and she is better off without most of you -- she will concede to sex. She will even demand the act so that she is in control of the sexual experience.

Heart Matters

That does not mean her heart is in the act. It simply means that she is going through an act of capitulation and dominance in a dance of conscience so she can endure your conquest. I created a woman with a moral compass that seeks Me. Her conscience very often is dismissed and hated.

Understand she is simply experiencing a day in My existence. I endure a great deal of profane behaviour from you men. I feel exceedingly from the strategies women have developed to adjust to the profanity of men who seek conquest. Does your wife, the one you fornicated with for years, reject you? Right, well, I can help you get your power back. I can help the two of you heal that breach fornication earned.

An obedient wife happens when you do not rape a woman prior to marriage. That is what I said, rape. After repeated abuse a woman will simply give up on her own identity. Young girls that are trafficked by family, friends, and mature suitors are the most at risk of sexual rebellion. Once a woman crosses that line, she needs time to heal. I will help her. Now, however, I Am focused on men. Men, you are going to be the ones to feel My wrath, and the women will feel My mercy. Had the morality of My woman been respected and appreciated the world of

humanity would not be in this place of fornication in the first place. Satan betrayed women first. (God says, "Because a woman is looking for a god in you when she experiences sexual contact with you, you will be pestered for support with every woman you fornicated with. She is seeking justice.")

You Will Struggle

Men if you are capitalizing on women, I will be sure to correct you carefully so that you teach your antecedents [Yes, those who taught you your perversion you will teach in the thousand year reign of My Christ, if you live.] how to be abstinent till marriage.

Clean up your act. I will be teaching our successors. Why are they ours? You king Dick -- qngmic cult members -- I Am going to make things very hard for you. You have used sexual conquest to dominate in business and religion to create a mask of piety while searching for child prostitutes your low wages created. Understand, I hate you for your fornications. In your business dealings your fornications are going to brand you, and honest businessperson's will avoid you. You see, sheep are honest. And you, fornicator, are a goat. The dividing is happening now.

Your children, those that wish to be members of your cult, will have many difficulties, they will struggle to find Me, and you will be blood guilty for them. Just as I extended an invitation to Israel; if you petition Me, the true God, I will listen and you can entice Me to examine you and care for you provided you end your fornications.

Marriage (with fidelity) or abstinence those are your choices men. Start reaching out to Me and I will be sure to help you find that obedient, magnificent, beautiful feminine wife. Are you abused by that once perfect wife? I will help you get that flame back.
