

To Fornicate is to Have Sex with Satan

July 5, 2019

he true God is a living masculine spirit being of the heavens. The first of His creation, that we know on earth as His firstborn, was a feminine spirit complement. She was one of many beings brought into existence.

All other beings came into existence through her. She was happy before the true God and personified His wisdom. They became one spirit being, married, under a heavenly arrangement of the true God's law. Humanity of earth is their creation in their image.

She that Deserves Rebuke

The firstborn of the union, Satan, (an angel of the true God adulterated by vanity) profaned many spirit being marriages by fornicating her way across the heavens. She banded a brotherhood of demons together in the wake of angelic marriages she adulterated. Satan coveted the penis of Adam and set out to take God's woman. She seized on the opportunity to defile humanity.

Was there a test in the Garden of Eden? When the tree of the knowledge of good and evil was planted, it was set apart from the tree of life. The tree of life had no restrictions placed on it. The tree of the knowledge of good and evil had the restriction of a death sentence upon eating its fruit.

It Wasn't Much Till

That tree in the garden with a death sentence was ignored for food until Satan used the least willful beast of creation to seduce the youngest human. Satan earned an immediate death sentence and ended the marriage of humanities creator when the Christ gave her life as a man

and died on the torture stake. The knowledge of good and evil was a provision for any human to choose death, if desired. Christ's sacrifice was the provision to save all humanity because all humanity had to come from the now sin filled Adam and Eve.

Seducers Beware

Spirit beings born of God and Christ possess male or female characteristics without genitals for creation. Intimate partnerships under the true God's law required marriage. Marriage is the legal creation of family, one flesh. It is a provision for intimate expression and children for male and female humanity, and the spirit creative team that produced them.

Seducers that seek to adulterate the marriage of others and marriage partners greedy for sexual conquest of others will not enter the true God's Kingdom. They earn a death sentence like their exemplar, Satan.

A Perfect Couple

Adam and Eve, perfect, were friends intended for one another without sexual relations when introduced and regarded as married. (The Israelites followed this custom, i.e. Joseph and Mary). They were unaware of nakedness, their genitals. They also had not yet had relations. Eve ate of the fruit first. She gave fruit to Adam and there was no recognition on Adam's part of two things. First, that the fruit he was being given was the fruit from the forbidden tree. Second, Adam had no knowledge of what consequence Eve was facing from that fruit. Once they both took a bite of fornication, they had equal knowledge of being naked, that they had genitals.

Satan made Adam and Eve ashamed of their genitals before the true God. This shame has been the cause of agony for humanity. Satan is the creator of fornication. Sin will be destroyed for her countless unrepentant fornications.

There is this assurance from the true God; marital partners struggling for one another that want to maintain or return to a monogamous marriage can call on the true God individually or as a couple for His shepherding to restore the fire between them and stomp out infidelity.

All persons need to abide by celibacy till marriage to be in harmony with the true God.
