

# Training that Makes a Difference

---

January 17, 2020

*World wars one two and three are not the instruments of the true God's righteousness for instituting righteous law and government. The Kingdom of the Christ is our new Jerusalem and our promised land. It is on this earth.*

God is not to be mocked. Brother attacking brother in war or rape does not work. The myriad of wicked agents of the earth God will annihilate. The true God will be directing brothers of the earth, using His Ark, bearing arms against Satan's agents, the wicked.

## Smash the Pink Pig

Jehovah's Witnesses are financially responsible for WWI. Raiding the coffers of five other institutions will amend the financial burdens of WWII. Satan's network of destroying the true God's sheep with a thousand cuts is ending. Three ways exist to fulfil His righteous biblical prophecies. The first, and most desirable is for good shepherds of this earth to rally in cooperation with His will.

The true God is patient, to a point. He will not however permit Satan to continue her rampage of living forever in sin keeping her Father in a state of Sabbath to avoid punishment. Essentially, if sin lives in our blood or in our wilful hatred of her Father, Satan lives. Satan has the sole ambition of eternal life without the requirement of obedience to her Father.

## The True God Speaks

### *Fatherhood*

Father's, do you want your teenage daughter fornicating with her boyfriend in the bed you sit next to her on and hug her while she pores out her heartbreak? Do you want your laws of fine

morals disregarded? The laws that you know preserve her life? When you sit with your family at the dinner table do not you look with pride and joy at the laughter and stories and atmosphere of good conduct you require? Father's, you are discipline for a reason. You were created in My image, the image of the true God. You possess the ability to create life and to love that life.

### *Discipline Will Prevail*

I love My creation. Satan is sorely mistaken if she thinks this fit of hers keeping Me powerless to discipline her during My Sabbath. Method three for prophetic fulfilment I do not want to exercise. My prophet has told Me many times in the last few months that, I don't always get what I want. She however does not yet realise what a powerful tigress, she is in accomplishing My will. She and her husband are going to succeed in bringing about My will, the way I want.

On mac's faithfulness, and her words alone, I can accomplish everything. Just as I did for Noah, Abraham, and My son on earth Jesus. She is as far removed from Satan as I can keep her and her be of earth, human. I look forward to fulfilling My promises to her. Payment that is long overdue for her service is part of the protection she enjoys from Me.

### *The Sheep, Leadership*

Those declarations aside, that leaves a need to bridge the gap between Myself and My sheep. My leaders in good government the earth over. Good government does not pander to spoiled children who subvert the law to further their profiteering at the expense of the lives of others. Satan has been expending My human creation in every way she can to entertain herself and preserve sin alive.

### *Satan's Subversion*

Satan subverts organizations. Every time you gather to discuss solutions to the world's problems, include Me. Open your meeting with your king, president, or ranking officer opening with prayer. Under no circumstances is a clergy member, religious leader, or agent, to deliver that prayer. That is the invitation for Satan to enter your chambers. I spoke with Cyrus, Nebuchadnezzar, a Pharaoh of Egypt -- when Joseph was in captivity -- and all the Kings of Judah and Israel when they returned to keeping My perfect laws. Never were their religious agents My agent. I had a prophet. Only My prophet delivered My meaning.

### *The Perfect Law*

The law that Moses delivered to the seed of Abraham was perfect. The sacrifices were fulfilled and the need for priests was abolished in the sacred sacrifice and obedience of the Christ. You can thank Me for that in prayer. Had humanity been capable of obedience to My laws on a global scale at the time of Israel wiping out the land of Canaan the earth would be under Christ now. Sin would be all that remains to wipe from the blood. All alien residents treated well. No partiality. And poverty simply did not exist under My Law.

They were going to move north, south, and east from their point of beginning and keep conquering. With Satan loose influencing humanity that was simply not possible. Not because My Law prevents this. Even in the presence of Satan it is possible to keep My laws. It requires a relationship with Me. Prayer is required. That is My means of listening to My sheep and sharing with them My thoughts through My Holy Active Discipline. I hate the terms "Holy Spirit" and "Holy Ghost." Understand, even in My Sabbath provision existed to save your ass even with your neighbour's help. Son, does not your ass need saving?

### *Develop that Life-Giving Relationship*

You are now in a period of training to draw close to Me and learn what it will take to be a citizen of Christ's Kingdom -- your promised land on this earth -- My sheep. Every person on the planet is invited; develop a relationship with Me. They will walk My walk for that relationship. Fornication in their life will end. This means fidelity to their spouse alone or celibacy until matrimony. (And I bless love at first sight marriage in a way that you cannot possibly imagine.) This also means cleaving themselves from the religion they are members of and or baptized in, in writing. Send the resignation to their headquarters by order of your Fine Shepherd, the true God.

That beautiful Bible of mine is is a love letter to My prophet, My Sweet Pea, mac. She holds the keys to the Kingdom of the Christ because she understands its contents. She freely delivers My interpretations and clarification of scripture at My direction. I am keenly interested, right now, in saving all asses. Not assets. Assets expended righteously mean you reap many benefits. Life, health, youth, and comfort are a function of perfect obedience to My laws. You can linearly interpolate that. In truth, it is exponential.

### *Flood Waters*

On more than one occasion I have saved the lives of My faithful with a flood. A flood of waters against the entire planet is not on the horizon. You enjoy the breathtaking rainbows. Keep in mind people, I only require one man and one woman to populate the entire planet. Now that you know the man and woman that will fulfil my purposes are you feeling lucky?

Sit in My classroom. That special place in your mind that opens to Me use in Jesus name. In My Sabbath, I resurrect every conceived being on earth, that died prior to Christ's earthly Kingship, for them to know Me in the absence of Satan's influence. Satan learns the consequence of her actions against humanity, released as a woman on earth. Then My sheep will be strong against her and the sin in their blood.

Satan chose to be a harlot. She chose her future. My Law does not permit her to choose your future. Every life needs to decide that for themselves.
