

Does War Prove True Religion?

Satan immediately obfuscates the God of Jesus, the true God, when released from the abyss to earth. True religion's followers, the remnant of Christ's followers suffer greatly. Recall Satan's handy work whilst she still had access to the heavens?

Satan immediately obfuscates the God of Jesus, the true God, when released from the abyss to earth's firmament. True religion's followers, the remnant of Jesus followers suffer greatly. Recall Satan's handy work whilst she still had access to the heavens? Jesus faithful first century Christians were forced into skins and blood, put in an arena, and devoured by lions. Satan decimated true religion by the end of the first century. (Hear God say, "I Am proving My Christ.")

Some proclaim, Satan lingered in heaven until just before WWI, in 1914, then was cast down to the earth before that war. This was in harmony with a predicted date revealed in advance by these some. Satan lead the Watchtower Bible and Tract Society to anticipate that date from linear interpolation of Daniel's weeks. Can we all now say, "Duh" on how simple this math is? This world of numerology is older than the Celts.

WWI was stirred up by the zealous man-slayer Satan to manufacture "true religion" from false prophets. Jesus did not assure his disciples of a date. Why would the true God write a critical prophetic date in the Bible to be "discovered" and Jesus not know it? Prediction with a calendar is a tool that empowers Satan. Putting faith in a date and not deeds is a nebulous business. Some angry zealot in Europe was an easy tool for Satan to stir into assassinating the lynch pen monarchy so Europe burned. (God says, "Do you notice how I had to delay Christ's Kingdom because of these monsters? The JW's that is.) Watch God obliterate the Jehovah's Witnesses.

Satan is the mother of truth of lies and these make conflict. What is a better way than war for Satan to stir assurance in a religion? The God of Jesus would never fashion a useless slaughter of humanity to insight faith in His coming Kingdom. What God does do is return in like fashion, eye for an eye, from what flesh does against Spirit. We need to flee false religion now. True religion is in the body of the Christ. The requirement is morality. Immorality and the looting of civilization are products of war. The Shepherd is gathering His flock. Call out to the true God in prayer. He loves you. He will personally shepherd you, leading you to the Christ.
