

Who I Am

August 31, 2019

That terrified child learned "Jehovah" was the name of God. The only thing that terrified the child more than the threat of Satan was her mother's rage at her being out of bed after eight. The child learned a concept; Satan was afraid of the name of the true God. A secret weapon for survival with demons.

In the Beginning

At the base of a dark cobwebbed staircase with shag carpet and resinous pine tongue and groove planking walls stood a five-year-old terrified that Satan lived on the second-floor loft of the A-frame. (The mattress to sleep on was up there.) The home sat on a windy hill on the island of Oahu, and the child was home alone. The last words her mother uttered before sliding the door shut behind her; "Be in bed by eight". The terrified child within the span of four months; lost her grandfather, was gang raped under the Sunset Beach Elementary School jungle gym (the day she started kindergarten) and her mother found the false prophet, Jehovah's Witnesses.

That terrified child learned "Jehovah" was the name of God. The only thing that terrified the child more than the threat of Satan was her mother's rage at her being out of bed after eight. The child learned a concept; Satan was afraid of the name of the true God. A secret weapon for survival with demons. (Hawaii is full of demons.) Convinced that the true God could hear her, the child took her first step up the stairs calling out, "Jehovah." With each step she called out "Jehovah." She reached the top of the stairs and switched the light on, no Satan. The child thanked the true God for His listening to her. She went to bed.

Not Five Anymore

That child possessed the conviction with every prayer that the true God was the antidote for evil, Satan. Meaning the light of the true God had nothing to do with the darkness, Satan. What she had no way of knowing; the name of the true God is not Jehovah.

Jehovah's Witnesses are doing more to damage religion with their seeking of dates, defacing the Bible with the profane name Jehovah, stripping the Bible of the feminine wisdom in Proverbs, and the blasphemy of ruining John 1:1 with a "clarifying article." This perversion denies the sacrifice the true God made in giving His wife, own flesh, as Jesus. Oh, and yes, using the watered-down language of the rest of false religion, "sexual immorality" over fornication. You may hate the word "fornication." You can use fuck instead. (The true God hates the deed -- fornication.)

Chapter 11

The North

Daniel and Revelation famously identify who I AM. Conflict between the north and south is explained figuratively in Daniel. The north is true religion. The King of the north is the true God with a wife from the south. I AM the wife from the south. The King of the north has installed government as His shepherd over people in every nation. His sheep are all those in government service, and He would like to do more for His sheep.

Take note; forbidding marriage is wrong. If two soldiers wish to marry, let them. They can practice abstinence in their marriage while on duty, deployed away from one another. Do not force two people to fornicate when duty free. Do not anger the true God and lose His patronage of your peace keeping efforts by forcing fornication. Also, in case it has not been made clear. Fornication comes at a cost. Go to the true God in prayer and beg that you harness your male member (penis) so that only your wife benefits from your manhood or you remain abstinent till marriage. Fornication will cost you the ability to have an erection. Pharmaceuticals will not help you. Only the prayer of your marriage mate, to the true God, will give you the pleasure of an erection to enjoy your marriage mate.

The South

The south is false religion. Home of the Southern Cross. (A cross is a symbol of idolatry the true God hates.) False religion is backed by Satan. The true God will not allow dishonest shepherds in government. If you are profiting from terrorism, human traffic, and drugs your political and economic empire is going to end.

The United Nations Falls

Satan will empower her United Nations, but its exploits will not prevail. Michael will be standing up against the United Nations, and it will not survive warring with such a great power. The true God's king will prevail. Satan will be jailed. Attacks against fine shepherds who care for their poor and sick will not be tolerated.

Only a puppet institution backed by Satan that houses the perverse of humanity foster Satan's house of horrors. Honest shepherds get your troops out of the U.N. Let the king pins send in their children along with militia profiteers. Of course, if the entire world decides to empty out of the United Nations, Satan can be jailed sooner! Why? One of her dogs of war is dead.

God says, I AM and mac is the I AM of I AM THAT I AM

I AM one of two witnesses. *Revelation* describes the power of the declarations of the two witnesses. My work is proclaiming who the true God is, and what the coming kingdoms will bring. God will save everyone.

Wolf Dancing

mac fought off five members of the qngmic cult who stalked her individually for three years. One man used a common friend. Each man was attempting to seduce her by convincing her he wanted to marry her. Before mac would concede to going on even a first-date mac needed to know marital status. mac took ten months to get man number one to stop stalking her. mac met his wife. The second man it took almost three years. He was bold. Weeks before admitting in writing he was married, he attempted to enter the golf club toilet mac occupied for sexual congress. A prostitute, an employee -- married woman with children -- served johns on that golf club property. She did finally get some discipline. (She kept her job.)

In truth these men are only following the example of sexual conquest and marital infidelity condoned and supported by the PGA. mac wrote that institution of fornicators asking them to improve the industry they define, and explained the stalking she was enduring by men smitten by the PGA Tour gods. Three weeks later they announced remarks about good sportsmanship in the industry during a tournament. Hypocrites. Organisations that encourage infidelity you will not stand. Clubs that promote bad sportsmanship, stalking is bad sportsmanship, you will wither away. That curse for fornication, golf's gods will enjoy.
