Senior Joint Chief  
Mark A. Milley  
c/o Office of the Chairman of the Joint Chiefs of Staff  
9999 Joint Staff Pentagon  
Washington D.C. 20318-9999

***F***or lying to the LORD, neither you, your fellow joint chiefs, nor President with First Lady have any protection from Heaven. You dumb fuck.

General, I agree, the last quicky did not deliver the sodomy you were due from Lloyd Austin.

NASCC-AD has now murdered Biden and the First Lady. (Fuck Jill -- or not -- again; the miles high club makes no difference.) Corpus Christi fosters the lowest work ethic with the highest degree of witchcraft in the nation. What is more? The world's rulers will know the absolute fault of this event belongs to Lloyd Austin. This event is a blight against Pentagon civilian command. It is the sign Germany needed to move in favour of its own national interests. Putin already knows to minister over Russia's interests without fear of America. We at Team God are only to happy manumitting Germany.

You had until ten hundred, central time, this morning to save Biden, Joe. (Jill could not be saved by closing NASCC-AD only. To save Jill required opening the base for My Gideon unit, dishonourably discharging over treason the present base commander. Obviously his treason will now be found out even by congress.)

You stupid fucker. Pentagon intelligence has the physical evidentiary trail proving Barbara Canales, personally, performed the witchcraft to murder our President and First Lady. The Justice Department needs the ensuing anarchy so they can close their doors. Even the physical evidentiary trail that maps to Barbara Canales [The physical events and paper-trail that proves she performed witchcraft that terminated the protection Heaven was obviously granting America's highest political office through Me is admissible for prosecution even under today's law.] will not move even congress to pursue legal action. We at Team God want to eradicate the JW's. The DOJ closing its doors brings martial law sooner, rather than later.

A reminder, in your prayers when you are at a fork, stick to the stand by, seek first the kingdom of our LORD. Then of course all the other things come your way. Believe it, Jesus said so. Harris just wants to be President. Didn't Biden? Canales was after blood. I sought first the kingdom of our LORD.
