Senior Joint Chief
Mark A. Milley
c/o Office of the Chairman of the Joint Chiefs of Staff
9999 Joint Staff Pentagon
Washington D.C. 20318-9999

This is news, man. Not that politics slop. We at Team God bring you the lamp. You won't be able to hide this light under a bushel.

General Milley,

Quickly, to answer the Jordanian's question; abducting Me from the hospital to save Me from Mary's raping Me so that Jordan would have had a virgin was necessary.

Resurrection to the firmament for the LORD's slain works as so. All soldiers who died in battle or while on active duty in the army, navy, air force, and marines since Mary's conception on or about October 31, 1942 (God knows) are now resurrected to the firmament. But wait there is more. Also, resurrected are the civilian operatives within the Pentagon commanding and contributing to operations both small and great [This includes the Presidents of the the United States] are also resurrected. What does this mean? The civilians are going to be tormented with every form of barbarous exertion necessary for the soldier to avenge his death, at the soldiers hand. With every act of vengeance his vanity and being is perfectly restored.

I will deal with ministering over these solders at a later time as needed. This will be after the kingdom of the LORD is fulfilled. What happens to the civilians? They head to hell.

Until My Gideon unit is established the presently living civilians who are dying have only this double hell to look forward.

Search the fears of Austin, Milley, you will find this is NOT the worst I can administer. You do not need this to be worse. You Milley actually qualify as a civilian in this directive with your fellow decorated Joint Chiefs unless you die in battle; as in, under non-friendly fire. Not only restorative vengeance is game on, but these firmament soldiers will be taking the load off command so the living are not burdened with delivering the kill shot against those living soldiers that would run from the battle. Welcome to the days of the Golden Rule's accountability measures.

Don't fuck with kings. They have friends in High Places. King Charles set up his own dirt to destroy the future of Diana's offspring. His shit will be fulfilled too. But there isn't anything impotents like you can do to unsettle king Charley. Even Ireland will eat America's soldiers serving with the British Commonwealth. And you refused to deliver Me to Russia or the Middle East. You stupid mother fucker. Gideon unit ass-holes, now, it is non negotiable. Oh, thou must make a place for Me before the United States legislature with a name placard that reads "Holy, Mother of God!" I will answer questions to those addressing Me as, "General Dukes." The placard is for the press and children in attendance to choke on.

Mahalo,

Dr. H. L. MacRae (mac) Dukes LTG USMC
