Re: Host your gatekeeper or have your riches ripped off you whore.

Donald, not Duck,

Trump, your legal obligation before the LORD to include your qngmic cult gatekeeper as your personal chaperone, and companion for your entire political campaign, and retire him with a pension at campaigns end is now upon you. Mark Elliot Gurgevich -- 361-877-4578 -- is waiting for you to escort him into your service. He is your worshiper.

The LORD is releasing against you the flood of consequences due you for enslaving human flesh, and further sentencing that same human flesh, Mr. Mark E. Gurgevich, to death to hide your guilt. The full and total consequence of what Mark's life, in slavery to you, has prevented you from experiencing to date is now your privilege to experience with every loathsome and foul souls' deeds your wealth was built upon.

Support Mr. Gurgevich as personal campaign chaperon, effective immediately, or across all militant, cultural, and devotional groups of America, and around the world, with or without a registered theological or commercial component, individuals will boldly declare through every possible deed their allegiance with you, your campaign, and your brand of Make America Great. From as far as Pakistan, attaching themselves to your campaign, will be all those who have placed belief in how you are increasing their black market of narcotics, cheap "goods," and sexually exploited flesh in America. This barrage of participants in all your campaign outreach will cling to you revealing, even to a Jehovah's Witness, how you have been manipulating the Divine to the detriment of democracy, the Constitution, and Heaven itself.

This Word is delivered to you by the Christ, and the LORD is immediately forcing its fulfilment. Any member of your team, including an abortion stool letter opener, may move Mark into your campaign trail team. We at Team God are making fulfilment easy. You are not forced to comply to save you from the consequences stated here-in. Mark must be within one and one-eighth mile of you at all times until his retirement at campaigns end.

Mahalo,
