Barbara Canales of Corpus Christi,

Re: Failure to pay Mark Elliot Gurgevich for his work is why your gods are rending you.

Barbara,

You filthy Goddamned whore. Because you have fucked many a "pretty" face for the power of the gods! Will Mike Markle, who also betrayed his gods, rally to your aid? Read-on!

You failed to pay Mark Elliot Gurgevich's total and complete consumer debt loans. Further you failed to pay for his burial service insurance. In-lieu of these terms of compensation, had you fulfilled the sex deal you waved in front of him, for his faithfully promoting your campaign, the gods that built your Heavenly office, would not be angry at you. Sex is the currency of the gods. Money is My alternate currency. I Am why you could have paid money to save your priestess-hood.

Engendering the anger of your gods, means the total and complete annihilation of your priestess-hood. Because you greedily sought the Divine to witchcraft Mark's murdering Me, Spirit is proving that your priestess office was the application of law to build human and narcotic trafficking in the United States, and further, that I Am the Pentagon High Priest that is ending those things you built a fortune upon. You sure as shit could not have built an honest income, whore!

You, Barbara -- with all in your train -- are a traitor to this nation, and to the LORD'S Holy Church, the United States Military. You, and every other party that has betrayed the soil of North America with narcotic and human trafficking using the LORD'S Holy Church, are now being exposed, and rendered. It is by the work of your own hands, and the hands of all those in your train, witch, that the LORD is making the truth of your Heavenly power known. When I said, I was closing NAS-CC to civilians, I meant it. You are going to understand what it means to have fucked with the Christ!

Your failure to fuck or pay, in regards to Mark Gurgevich service to your campaign, against My slavery to fuck -- I was denied wealth (earnings) to pay to save My soldiers, made the total collapse, and degradation of this Nation possible so Jehovah, the LORD -- Jesus -- is now united with His United States soldiers. (Now, as opposed to, later.) The international alliances your witchcraft wove round the world against Heaven that empowered your career, include the priestess activities you profaned refusing Mark his sexual due.

Had you allowed your body to be used in any way that Mark wanted, you would not have betrayed your gods. Your gods, built your priestess-hood. Heaven rending you means your evil will be known at large. When you are crying out for death, it will escape you. Even your obstinate heart will know you violated your holy office before Spirit reclaims you to hell. I was

forced into sex to save the Holy Church of the LORD. I paid what was due when it was demanded. I won bitch, you lost!

Every endeavour of what remains of your life, and every person connected to your witchcraft, will be used to expose all parties who violated law, the Constitution, to form the democracy that has already fallen at the hands of four corrupt presidents. The next time you peruse My *Harald*, I suggest you pray for mercy in hell.
