Re: You promised.

Dear President Putin,

I included My recent correspondence to Berger. Those refusing recognising perfect information, in a world where perfect information is obvious, hang themselves on their own gallows. Berger refused to see where Israel, the modern day debacle from 1948, had set up the entire United States Military for destruction. General Berger, of course, is the individual with the Heavenly authority to act against Israel, and I Am his Marine.

You have indeed recognised where the divine was being employed across nations and peoples. General Milley used Me, his Tinker Bell, to preserve the United States Military while others, on the world stage -- specifically Israel -- were working towards its destruction. Refusing to conquer the Middle East under My Hand is a big no-no.

The Spirit union you have been after, is now yours Mr. President. The division of Russia is completed from Heaven. The United States had been witch-crafting against Russia since the Watchtower Bible and Tract Society founders were numerologically concocting Mary's immaculate and non-immaculate birth. A post script note, had Janet Henderson stopped seeking to have Me murdered by the police, she could have been saved from Mary's murdering her.
