

Gracious Abdel Fattah el-Sisi Warm greetings from the Christ.

The modern nation of Israel is a blight against the Holiness of Egypt. I am giving Israel into your mighty hand of warfare. Destroy them utterly and completely. Consider saving what weapons and precious metals stores you can harvest. Please do not preserve even their civilians. Protect Palestinians. Purge Jerusalem for its valuables in any means of profitability you see fit.

Do not support Americans any longer on the African continent, in the Mediterranean, nor in the Gulf, to the best of your abilities militarily. Seize all US military vessels you see fit, do not spare their crews.

Like I gave Putin Ukraine I am giving into your hand, Israel. Giving you more at this time requires a great deal of faith on your part in Me. Perhaps during the execution of the nation of Israel your faith in Me will grow.

You can continue your military success beyond Israel, and the expansion of Egypt's greatness with the cooperation of My Hand but this requires specialized training and a commitment to seize all the lands ~~to~~ the Euphrates taking Syria into your care as well while taking the entire continent of Africa. It also requires conquering North America. Consider it a good land of agriculture to support a billion people. The present populous would be wiped out. That is the limit for Egypt's expansion of wealth and government until Russia and China have

depleted their populations in warfare with one another as well as Europe's plundering its civilizations and treasures returning to a pre-Roman feudal landscape of quasi-primatives.

What will no doubt astound you is how quickly Western Europe declines, the continued destruction of North America by Heaven as well as the outstanding impotence of America's military in the face of your conquest of Israel. It will puff up your regulars to be sure. It will be wonderful in this military action to come for your soldiers to embrace the importance of their humanity and how valuable they are as celibate soldiers for Me. Saving their sexual vigor for their spouse. I will need to leave this in God's hands and can only make petition that you do indeed decide to conquer the world. You can find Me in Corpus Christi, Texas when you realize that Egypt's sun is indeed on the Eastern horizon.

This email will be followed with a letter sent to your regional Embassy. You may ask them to look for My card to you in the past. America has mocked My Holy office to the nth degree. I am destroying them. I would love to reward you with a great deal. Yes, wiping out the Jehovah's witnesses as a people is a priority for future military success. I have many articles posted on My operation website, www.madukes.com

Israel, as a nation, with the extortion scheme that the United States Military has profited from My power. They have

both unilaterally abused My flesh,
they have abused My Spirit, they have
~~abused~~ abused My Kingship. They are
being destroyed. You are not. I am
Immortal flesh and the Goddess of warfare,
the Christ, I Am also for hire.

Hallmark

P.S. There is not one Christian on
this earth. ~~They~~ all persons claiming
to be Christian are profane liars.
Only you can save those in Egypt
that want to be Christian.
