Re: The accountability answer you are demanding of the Pentagon for the lives lost in the Afghanistan withdrawal.

Mr. Waltz,

The first demand for accountability headline I observed was earlier in the year from the parents of the young Marine soldier who wanted to know why his nation did not protect him. 'He wanted to be a marine since he was a toddler' was their claim. My knee jerk reaction to them was, what did a toddler watch, an episode of *Gomer Pile* to choose Marine service? That *Hollywood* has been allowed to mock the military of America is a function of their prostitution. Both of them. Second, a Marine is who answers to upholding protecting God and Country!

Fornicators serving in the military die. Those in command that have weaponised their genitals to gain advantage in Heaven -- abandoned to the demons once Jerusalem was destroyed, divining high connections for themselves -- like General Milley has done -- who is being humiliated by God Almighty at the very least for his fucking the slut Jill Biden -- end up being made examples for plundering the LORD and His house. You sir are an example of this in the extreme for profaning your service in the Army with fornication, and then, profiting in public office escaping the execution you were due.

The Afghanistan withdrawal was intended to be Biden's means to drive the American public to be hungry for war, and further expand, by forcing democracy on the region, Pakistan and Afghanistan's larger competitor share on the global stage of narcotic production. Increased narcotic production was necessary for Biden to keep promises he made on the campaign trail. Great Britain's interests he was keenly interested in satisfying to keep NATO pacified. Lives were lost during the withdrawal, because the civilian arm has turned the U.S. Military in its entirety, into a six hundred pound human incapable of wiping its ass or identifying its genitals.

Many more things I could write on these subjects. As a letter opening abortion stool warmer is most likely first eyes on this document, I will keep it brief for her minuscule attention span regarding Holy affairs. Many things I already have explained in *My Herald*. I will be revising My present web site to begin recruitment into My cross discipline force, favouring of course the Marine Corps, and those serving in special forces. This is a function of their present military discipline.

The hardship for recruits is their addiction to fornication in all its many forms. My command is simple however, use your genitals in contact with a person who is not your own flesh -- that means matrimony -- you die in battle, or by any other means to demonstrate to Creation, sex is

the worship that is prized, and protected, with ones divine Force. Space Force, Coast Guard, and National Guard, as well as reserves, will be ineligible for service defending God and Country.

Should you decide to fail to uphold My Holy Office in the performance of your duties, you will be harvested during the great war in North America to come. This holds for all of your constituents and peers.
