Amazing Grace

Your intelligence gathering teams of the Kremlin have, indeed, observed the evolution of My domain, macdukes.com. My domain is a reflection of the knowledge obtained over the course of My lifetime, and the knowledge Heaven earned clearance to go after exposing once My Christ prize was awarded. I endured, suffered, so Heaven could be glorified. That period of My life between May 12, 2012, to August 21, 2021, ebbed and flowed between barren coastal strips pre-tsunami and rancorous, fetid, decayed landscape at low tide post-tsunami. Japan, pre-Russo-Japanese war, picked up on the Divine opening that the Watchtower Governing Body opened up for the LORD to back the U.S. Military and ran opposite the LORD's military in the Heavenly beta beta-prime, yin yang world of Heaven. Once WWII was in full swing the events in the Pacific theatre were simply evidence of what was set up in Heaven. Spirit is greater than flesh, always, in the since of being the first responder -- actor -- when flesh Divines. So, in our time this works like so -flesh makes prayers of heart (in Adam's time it was his total genetic responses and existence) -- Heaven builds and moves based on the prayer of heart instructions -- flesh then ultimately acts out, "All the world's a stage," what went on in Heaven as a result of prayers of heart.

Putin, "Little Devil," I invite you to acquaint yourself with My macdukes.com/mariages.php. It is information that provides some depth to My paragraph summary below. When America came on-line (in the England Ba'aled the shore with corporate colonies event) Satan had the populous to build into a nation so the yin yang could be fulfilled. Gog magog is a yin yang type relationship. In reading the works of the prophets, and this includes what Jesus spoke as recorded by disciples, seeing language in terms of modern day comparators that match colloquial or common knowledge expressions is useful.

America had authority over how Satan was going to be required to make changes. Satan was to keep her hands clean. Satan was not to do the dirty work. This is why an individual with no ability to make prayers of heart was required. (First there was mumsy thence Moi) Because America, before God Almighty, made Satan -- as their own god -- do their dirty work. The LORD was not allowed to put Satan in the place of being just like Him. We will keep this explanation simple for now. Basically, Satan piggy backs on Me being spared from getting her hands dirty, like the LORD is dirty. The Pentagon went after some real crazy shit in an ambitions power grab to be directing how American's would be killing themselves. The Pentagon's shit is just bullshit. I'm dealing with that. The LORD assures Me I just did. It was most likely Saint Peter that spoke through the LORD that time. You are not doing the work Satan follows. I Am. I Am Satan's protector, not you. Putin, that was a warning. mumsy built what was opposite Me in the yin yang protocol, not you.

As Allness was developing across all humanity (this is before Moi [If you ever caught an episode of the *Muppet Show*, My apologies, but Ms. Piggy said Moi just perfectly.]) the Catholic church did a heck of a revitalise our tithe base with the Vulgate (common language of the people) version in Latin. So, here I Am conjugating fuck into the word fuckley to a head of state. That is just the way of using the common vernacular. The word origin of f-u-c-k I wrote about as the sixteenth century word that upstaged f-a-r-t. And it did. The Lamb is the one who brings these balancing expressions of Heaven forward among people.

I will now venture into the topic that sent Me to My computer to write you a letter, as opposed to, My continuing My website maintenance and textural updates with edits today. This thanksgiving I venture to share with you a bagpipless Amazing Grace. (I Am a fan of bagpipes.) Your military was extended an offer of one year to bring Me aboard from Christmas Day till Christmas Day the following year, 2025. The reason for this extension has much to do with how I have explained to Heaven flesh does their own dirty work. Heaven has patience with Me insisting I get some comrades to work with. (In My last letter I referenced 2024 incorrectly. It should be 2012 -- the web posted letter has the correction.) From My perspective, while you will be getting what you think you want without Me it is not ultimately what you were after achieving. Like a wave what you will be getting is taking you along for the ride. So faith in Me is needed. You enslaving Me expires Christmas 2024. After that, it is a contract with Me to host Me and open-up My Office of the Christ. The offer is open for a year.

Putin, you know I love you. It just so happens that I also love money, sex, war, things British, Japanese, Russian, and Italian.

Mahalo,

the Christ
