Re: Seizure and harvest.

Sir,

This is the only legal notice being served for global shut-down of your religion. In regions of Eurasia through Africa under My command influence all properties used for Judean gathering, education, worship and/or commerce will be used for body processing. These premises will be converted to stacking grounds for the slain. Individuals occupying or attempting to protect the premises will also be slaughtered.

For Jehovah's Witnesses likewise.

All assets belonging to Jews and Jehovah's Witnesses are now national military property to plunder. North America will follow likewise when civil war is under military authority of the Pentagon.
