A Rub at the Lamp

So you want to buy mumsy. I will sell her to you for \$850,000.00 US cash and her signing over, quit claiming, the deeds to My two properties in her name to Me. One is in Hayes Co. Texas the other in Nueces Co. Texas. She would need to be accessible until all rights of transfer were duly recorded with each county clerk. The cash sum replaces; what the Jehovah's Witnesses plundered attempting to euthanise mumsy, and the \$492,500.00 the CCPD stole from Me, and recovers My early expenses since 2012. How you are provided for is adequate gifts and measures for her provision going forward. She is never to return to North America.

Mr. Netanyahu: This is some sweet deal for you, eh? Failure to make this provision by March 31, 2025 ends Israel's connection to her in the Divine. She is owned by the LORD. What is due the LORD for his shit is paid to Me.

You would need to negotiate with the Pentagon and President Trump to have any interaction with Me. This is of course a written negotiation.

Mahalo,

the Christ
