Cost of Plunder

**T**his missive explains the benefit of paying Me the \$425,000.00 Mark O'Neil (O'Neal) stole in the name of Jehovah as an Elder of the Jehovah's Witnesses organisation.

Sirs:

My body is sustained alive by Spirit. Gods you claim are false, pagan, Satanic, demons facilitating the work of the devil are Spirit beings that along with Jehovah, the LORD, Saint Paul, Saint Peter, and God Almighty keep Me alive. They have authority over My body. I Am the only being Spirit can force into physical responses. I don't bruise, I don't starve, I don't bleed (much -- a tiny amount to thwart infection clean a wound, of course.) Not only that, others are in a place of forced to avoid interacting with Me when it preserves Me alive. This is that person's own goddlyness (not Spirit) making that happen. Isn't that a marvel? Reflexes to My being Christ are built into human genetics. Some people may experience a feeling of their arms being restrained or their voice being choked from speaking. Why am I explaining this to you?

Robbing the equity and cash from My estate meddling in My family meant that many Ggods, some that can do you great harm stirring up torture schemes of world leaders, kept Me alive while I was living for six months on less than 400 calories a day, on average. I experienced three weeks where I was unable to obtain more than 100 calories a day. Heaven -- Spirit -- directed Me in survival. For the same limited calorie period I drank limited water. I had no means to shower, but, all the same, I found ways to clean Myself at restroom lavatories so I prevented, at least I thought I was preventing, stink, lesions, sores, and all kinds of maladies that come from malnutrition (worse than scurvy) and no ability to follow basic hygiene. I brushed My teeth with salt. During the first total closure months of the pandemic I had no access to a bathroom. I had learnt how to defecate and urinate into public park doggie bags while crouch in the cab of My truck. (I kept that truck clean, and it had no stench. The interior was pristine when you forced the CCPD to junk it.) Those bags are provided free at public parks. I collected them on daily walks. What I had to learn from Spirit is that I was not acknowledging that Spirit kept Me alive and exaggerated the success of My efforts. I was walking dead by March 2020. Jehovah will corroborate that. I have apologised to the Ggods for failing to acknowledge them keeping Me alive. I also made sure to protect their investment with My apology.

It would have been a spa, as in; I would have had My wrinkles removed, acne scars would have healed, pores would have been reduced, loose skin would have been tightened, and I would have looked thirty again had the LORD been allowed to do the preserving. But, you see, many Gods of Heaven hate

you people. And you people screwed over Jehovah. I was the only human that could have protected your religion over Jehovah's rage against you for satisfying foreign Gods. You enthusiastically went after making sure I was vilified. You made sure to stir up the abusive activities of the openly corrupt CCPD and Nueces County Family Services to further penalise My estate beyond even mumsy's hospital expenses. (Mark O'Neil performed reckless and negligent electrical work on My house, and the roof repair that was done in My absence was criminal. These are of course added miseries to deal with.) I was in the place of proving My case as Christ under conditions of torture, but I lived though every Spirit torment. Had you not abused My house stealing that precious \$425,000.00 I would not have been in the place of being kept alive by Gods that liked using My disadvantage to buy future prospects of increasing their influence to see to it that Jehovah's Witnesses, people that submit money to the Jehovah's Witness organisation as well, are tortured to death -- even in England. You see, you can not be kept alive by Spirit. I Am the human who feeds heaven, keeping it alive, on the Words of Truth. In turn I Am kept alive.

I live a policy of not putting the LORD to the test. So I couldn't use Holy Sprit as a diet to be thin. I eat in obedience. I cook in obedience. I buy foods in obedience. I learn the God Almighty object lessons and reveal them to Heaven, publicly. You have until Christmas Day, 2025, noon to remit to Me \$425,000.00 US cash. That is your last day to receive My courtesy of regarding that money you used to commit your hateful debaucheries against Me as a zero interest loan. By Christmas 2025, that money is a theft. You as a people profited off of abusing Me, using that money. Pay it back or pay for how you profited by Gods other than Jehovah. The Ggods are demanding I end living the life that allows Heaven to support that money stolen as a zero interest loan. Those steps are over. This is a demand for repayment.

This is My legal demand for you to pay Me back the \$425,000.00US of My own estate you used to murder Me. Court action will not follow. Pay by the date stipulated or the Gods take everything they are due, the world over, based on My testimony whilst being kept alive by them. You were allowed to do to Me what you did so that you too, not just the US Military, would be handed over to the Ggods. You people, like unto the way Princes Diana was a bully meaner than Megan Markle, are the meaner fornicators than soldiers. You forced on Jehovah using force that belongs to My physiology to build an obedient bunch of lazy mediocrities the world over. That was against many Gods in many lands.

Mahalo,

the Christ
